INCREASE OF RATS .- The Farmer's Gazette INCREASE OF RAIS.—The Farmer's Gazette (English) asserts and proves by figures that one pair Rais will have a progeny and descendants no less than 651,050 in three years. Now, unless this immense family can be kept down, they would consume more food than would sustain 65,000 human beings.

See "Costan's" advertisement above.

RATS versus BIRDS .- Whoever engages in shoot-RATS versus BIRDS.—Wneever engages in snooting small birds is a cruel man; whoever aids in exterminating rate is a benefactor. We should like some one to give us the benefit of their experience in driving out these pests. We need something besides dogs, each, and trap for this business.—Scientific American, N.*Y.

LOCK HOSPITAL. ESTABLISHED AS A REFUGE FROM QUACK-ERY. THE ONLY PLACE WHERE A CURE

CAN BE OBTAINED. DR. JOHNSTON has discovered the most Certain, Speedy and only Effectual Remedy in the World for all Private Diseases, Weakness of the Back of Limbs, Strictures, Affections of the Kidneys and Bladder. Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Ilmidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or skin, Affections of the Liver, Langa, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Matiners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to eestaty the living lyre, may call with full confidence.

MARRIAGE. Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

[myselicy Cured, and Full View Restored.]

ORGANIC WEAKNESS
Immediately Cured, and Full Vigor Restored.
This Distressing Affection—which renders Life misserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that understands the subject will pretend to deny that the power of procreation is lost sconer by those falling into improper babits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepssa, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death, Offlice, No. 7 South Frederick Street Office, No. 7 South Frederick Street Left hand side going from Baltimore street, a few doors from the corner. A CURE WARRANTED IN TWO DAYS.

No Mercury or Naussons Drugs. DR. JOHNSTON.

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at judden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cared immediately.

TAKE PARTICULAR NOTICE. Dr. J. addresses all those who have injured them, selves by improper indulgence and solitary habits, which rain both body and mind, unfitting them for

which rain both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of He Back and Limbs, Pains in the Head, Dinnees of Sight, Loss of Muscular Power, Palpitation of the theart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil-Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing tueir vigor, becoming weak, pale, nervous and e naciated, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNGAMEN

Who have injured themselves by a certain practice.

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if no cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons MUST, before contemplating.

STRANGERS Trust not your lives, or health, to the care of the hany Unlearned and Worthless Pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's advertisements, or style themselves, in the newspapers, regularly Educated Physicians, incapable of Curing, they keep you trifling month after mouth taking their flithy and poisonus compounds, or as long as the smallest fee can be obtained, and in deepair, leave you with ruined health to sigh over your calling disappointment.

over your galling disappointment.

Dr Johnston is the only Physician advertising.

His credential or diplomas always hang in his office.

His remidies or treatement are unknown to all others, prepared from a life spent in the great hospitals of Europe, the first in the country and a more extensive Prevate Practice than any other Physician in the world.

INDORSEMENT OF THE PRESS The many thousands cured at this institution year after year, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Clipper," and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concontrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellowcitizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

complaints: -- Schofulous Complaints, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AF-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ENSURELAS, ROSE ON ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the by an alterative medicine. Cleanse out the vitated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell the whole the contract of the contract o whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reconstitute of accomplishing these goals. But

reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on

PREPARED BY DR. J. C. AYER & CO. LOWELL, MASS. Price, \$1 per Bottle; Six Bottles for \$5.

Ayer's Cherry Pectoral has won for itself such a renown for the cure of every variety of Throat and Lang Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

SEYMOUR THATCHER, M. D., of Herman, N. Y., writes as follows :-"Wistar's Balsam of Wild Cherry gives universal satisfaction. It seems to cure a Cough by loosening and cleansing the lungs, and allaying irritation, thus removing the cause, instead of drying up the cough and leaving the cause behind. I consider the Balsam as good as any, if not the best Cough medicine with which I am acquainted."

From Hon. Judge SPRAKER, of Canajoharie, N. Y. Gentlemen.—This is to certify that myself and family have used Dr. Wistar's Balsam of Wild Chery, for several years, and that I take great pleasure in recommending it in preference to anything of the kind for the purposes for which it is intended. In cases of Asthma, Phthisic, or affections of the Throat, I have never met with anything equal to it,

Very respectfully.

DAVID SPRAKER. The Rev. JACOB SECHLER, of Hanover, Pa., Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted. Dear Sirs :- flaving realized in my family impor-Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have always been benefitted by it.
