lican majority.

majority in Upper Augusta, but last year There are other points also, which involve Pardy took up his residence in that town. There are offer points also, which involve the nature of the registry. On one hand it ship and now it has changed, which some is claimed that if the Register put a name wag suggests was caused by Purdy's pre- on the registry the man is entitled to vote, sons in Lower Augusta are trying to persuade him to remove into that township, only gives to a man a right to precent his and promise to give him an office if he will consent. In Upper Augusta the people are decidedly opposed to this movement at pre- tution which makes it the joint duty of sent, as they desire to increase the Repub- Registers and Judges of election, to use

DEATH OF JOHN VAN BUREN.

The death of the Hon. John Van Buren has caused deep regret in New York, where he was so well known and respected. His quired,, is assorted in consequence of some wide acquaintance, his social qualities, and his relationship both to a former President Swann being men of Secession proclivities, and leading public men, combine to render who, by the Constitution and laws, are his unexpected demise a most painful sur- disfranchised. That such is the case, may prise. He died on board the steamship Scotia, on Monday, October 15, on his return from Europe, where had been for his health, and while within a few hours of port. He was the son of the late President Martin so. Van Buren, and was born at Hudson, N. Y., February 19, 1810: graduated from Yale in Union man, has now gone over to "my policy. 1828; read law with Hon, B. F. Butler, of He is in full sympathy with every Robel who Albany ; was Secretary of Legation to his "went into the Southern army, and every Sefather while the latter was Minister to Eng- cession sympathizer who hated the Union land, in 1831-'2, and was chosen Attorney cause. In 1848 he was one of the promi-nent advocates of the free soil party, and because he desires the men who are disfranfrom that time to this has been before the chised by the Constitution of Maryland to get

THE TROUBLE IN MARVIAND. A correspondent of the New York Times, writing from Baltimore, gives the most clear account of the nature of the controversy be-tween Governor Swann and the Police Com-Terrible Storm-Houses Unroof ed, Trees Uprooted and Tele-graph Lines Prostrated. nissioners of Baltimore that we have yet The sity of St. Louis was visited yester-day afternoon with a terrible storm, doing great damage to houses, churches, and buildseen. It is worth reproducing for the infor-mation of our readers. The trouble arises under the following circumstances : The amended Constitution of Maryland of 1864 ings of every description, several of which disfranchises, forever all who took arms in cases were reported, to have occurred, at Lebanon, several at Williamsport, and about thirty at Lancaster. The approaching cold same year a Registry law was framed, which limeted that each voter annihing to be

weather has already checked its progress. The official majority of Gen. Geary over Hester Clymer for Governor is 17,853. same year a Registry law was trained, which directed that each voter applying to be registered must take a stringent oath of allegiance, and swear that he will not only support the Constitution and laws of the support the Constitution and laws of the amount of damage. From the south, bear-State, but has never given aid or counteing a little castward, it seemed to twist like nance to or openly expressed sympathy for a screw. It lasted from ten to fifteen minutes. and was about a quarter of a mile wide when

it first struck, but grew narrower as it proceeded north. Scores of buildings were unroofed, and

hundreds more or less damaged ; trees and lences were uprooted in every direction; shutters, signs and timbers, and all loose things were carried through the air almost like feathers. No lives are yet reported to sympathies. The second registry is to take place this year, one Register for each prehave been lost, but several persons were At seriously injured. cinct being appointed by the Governor. the time of the recent municipal election this registry had not been finished, and it The following are some of the most serious injuries sustained.

FROM ST. LOUIS.

CINCINNATI, Oct. 22.

down. A number of persons

All the chimneys of the City Hospital were was a question whether the persons already blown down, and the adjoining house com-pictely wrecked. The unfinished brick staregistered this year had a right to yote, or whether the voters were no other than those ples of the People's Railway Company, near who were registered last year. This was a legal question, and there were

La Fayette Park, were blown down, and the old stables demolished. conflicting opinions about it. Reverdy Johnson, whose sympathics lean towards Two breweries on Lafayette avenue lost their chimneys, and a part of their roof. The Church of Angels, in course of conthe Democratic and Secession parties, was of opinion that the newly registered citizens struction on St. Angevine street, had the roof had a right to vote. But the Attorneyof the whole of the south and portions of all General of the State, at the request of the Governor, gave his opinion, to the effect the other walls blown down. The pastor's house, near by, was also badly damaged. A new three story warehouse on Sixth street, belonging to Mr. Kenig, was prosthat only the voters on the registration of the former year could vote at the municipal

TA.- We learn that quite a warm leeling is beginning to be exhibited between our compliance with the official opinion of the standing. The roof of Barnum & Lindell's Hotel was somewhat damaged; also the Mertownships in regard to our neighbor of the cluded the newly registered voters from the Democrat. The democrats always had a polls. This is the offence for which they the roof of Darbis' marble building, at the corner of Fifth and Olive streets, was rolled upon and blown into the street. The greatest fury of the storm seems to have been spent on the O'Fallen Polytech-

nical Institute-a very large unfinished buildno matter whether he is or is not disquali- ing, at the corner of Seventh and Chestnut sence in that township. A number of per- field by the Constitution and laws. On the streets. Two immense chimneys were blown down, breaking a hole in the roof, into which other side it is asserted that the registry the wind entered, tearing up the tin roofing like paper, and carrying large portions of it, vote, and that the election officers have authority to inquire as to his claims to citizen- weighing several hundred pounds, a distance ship, by virtue of that clause of the Constiof from three to five blocks.

A three-story house adjoining had the whole rear end forced in, and the reverend father, pastor of the Church of the Immacudiligence to protect the ballot sgainst dislate Conception, was killed and its other loyal voters, and of the law which permits occupants badly hurt. Several other houses the judges of election to administer the oath in the immediate vicinity were severely damof allegiance whenever they deem such a nged. Several steamboats were blown from their moorings and forced over the river, All the telegraph lines leading out of the of the Registers appointed by Governor city were prostrate I and the fire alarm telegraph was very badly cut up. But a portion f the damage done in the city is yet known. No intelligence has been received from the country, where it is expected the damage be inferred from the arguments against the right of the Judges to reject disloyal voters, who are registered, although by the law it has been very great. A rain storm accom panied the wind and a good deal of hail fell. is plain enough that they have a right to do

A strong wind and heavy, rapidly drifting clouds prevailed until past midnight; but Governor Swann, who was elected as a this morning the weather is clear and quite cool.

stole a lady's jewels at the St. James Hotel in New York, valued at \$6,000. The damage done by the tornado yesterday is estimated at \$100,000.
