pured immediately. PAKE PARTICULAR NOTICE.

PARTICULAR NOTICE.

Dr. J. addresses all those who have injured them, selves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz. Weakness of his Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitstion of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Mentally.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil-Forobodings, Aversion to Society, Self-Distrust, Love of Solitude, Timousanus of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and ensciated, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if no cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be smatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons MEST, before contemplating

MARHIAGE.

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes bighted with our own.

DISEASE OF IMPRIDENCE. When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, necturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commissration, till death puts a period to his dreaaful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns."

It is a medancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of

to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that Deadly Poison. Mercury, ruin the constitution and make the residue of life miserable.

STRANGERS

Trust not your lives, or health, to the care of the many Unlearned and Worthless Pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's advertisements, or style themselves, in

Johnston's advertisements, or style themselves, in the newspapers, regularly Educated Physicians, incapable of Curing, they keep you trifling month after month taking their filthy and poisonus compounds, or as long as the smallest fee can be obtained, and in despair, leave you with ruined health to sigh over your galling disappointment.

Dr Johnston is the only Physician advertising. His credential or diplomas always hang in his office. His remidles or treatement are unknown to all others, prepared from a life spent in the great hospitals of Europe, the first in the country and a more extensive Private Practice than any other Physician in the world.

INDORSEMENT OF THE PRESS The many thousands cared at this institution year after year, and the numerous important Surgleal Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Clipper," and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afficient.

SHAN DISEASES SPEEDILY
CURED.
