26x34 They have deemed expedient to offer them to their friends and the public at one dollar and fifty cents each, the price, heretofore having been two dollars each, and for the purpose of stimulating the getting up of Clubs, they have determined to award premiums to the getters up of the Clubs, and in addition thereto to distribute amongst the subscribers the sum of \$50,000 in money and printings, as soon as the sale shall have resolved 100,000 engravings. As it is our intention to advertise very extensively, and as the engravings are well known throughout the whole country, we have no doubt, that with the low price we charge for them, and with the exertion which will be put forth by our numerous friends, the number will be reached in a short time. As soon as it is reached, the subscribers, through their Club Agents, will be notified by a circular letter from usnaming the time and method of distribution.

CLUB RATES. They have deemed expedient to offer them to their

CLUB RATES. Single Engraving \$1.50 each—by mail free. For \$15 we will send 13 Eng. & 2 to the Club Agent

The AMERICAN ARTISTS' UNION would add that these premiums are to be considered only in the light of a free gift to their patrons, as the Lagravings are furnished them below their market value, and as the cost of engravings, after the plates are procured, as very triling, they can casily afford to marke the distribution, large as it is.

We trust that our numerous friends throughout the country and Canadas will use their utmost exertions, so that if possible, the distribution may be made soon, and it can be done if they are active. Ladies have often made excellent Club Agents for us and we solicit their kind efforts, which will not go unrewarded. Let one or more energetic persons in every town and village in the country commence as soon as they see this, and get up as large a Club as possible. When the misguided and imprudent votary of pleasure finds that he has imbibled the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns." Trust not your lives, or health, to the care of the many Unlearned and Worthless Pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's advertisements, or style themselves, in the newspapers, regularly Educated Physicians, incapable of Curing, they keep you trifling month after month taking their fifthy and poisonus compounds, or as long as the smallest fee can be obtained, and in despair, have you with ruined health to sigh over your galling disappointment.

Dr Johnston is the only Physician advertising.

His credential or diplomas always hang in his office. His remidies or treatement are unknown to all others, prepared from a life spent in the great hospitals of Europe, the first in the country and a more extensive Prevute Practice than any other Physician in the world.

Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsum of Wild Cherry—it affords me pleasure to recommend it to the public. Some eighty-sars ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsum, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have always been henchited by it.
