BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A REFUGE FROM QUACK-ERY. THE ONLY PLACE WHERE A CURE CAN BE OBTAINED.

DR. JOHNSTON has discovered the most Certain, Speedy and only Effectual Remedy in the World for all Private Discasses, Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder. Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Thront, Nose or skin, Affections of the Liver, Lungs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Matiners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to cestaty the living lyre, may call with full confidence.

MARRIAGE. Married Persons, or Young Men centemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and Full Vigor Restored.

This Distressing Affection—which renders Life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsen, Palpitution of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death,

A CURE WARRANTED IN TWO

DAYS. No Mercury or Nausconi Drugs.

DR. JOHNSTON. Member of the Royal College of Surgeons. London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and claewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfuiness, with frequent blushing, attended sometimes with derangement of mind, were sured immediately.

Dr. J. addresses all those who have injured them, selves by improper indulgence and solitary habits, which rain both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz. Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Mentally.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil-Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c. are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and e maciated, having a singular appearance about the eyes, cough and symptoms of consumption. TAKE PARTICULAR NOTICE.

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if no cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

Trust not your lives, or health, to the care of the many Unlearned and Worthless Pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's advertisements, or style themselves, in the newspapers, regularly Educated Physicians, incapable of Curing, they keep you trifling month after month taking their filthy and poisonus compounds, or as long as the smallest fee can be obtained, and in despair, leave you with ruined health to sigh over your galling disappointment.

Dr. Johnston is the only Physician advertising. His credential or diplomas always hang in his office. His remidice or treatement are unknown to all others, prepared from a life spent in the great hospitals of Europe, the first in the country and a more extensive Private Practice than any other Physician in the world.

INDORSEMENT OF THE PRESS The many thousands cured at this institution year after year, and the numerous important Surgical Operations performed by Dr. Johnston, winessed by the reporters of the "Sun," "Clipper," and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

"Wistar's Balsam of Wild Cherry gives universal satisfaction. It seems to cure a Cough by locsaning and cleansing the lungs, and allaying irritation, thus removing the cause, instead of drying up the cough and leaving the cause behind. From Hon. Judge SPRAKER, of Canajoharie. N. Y. Gentlemen—This is to certify that myself and family have used Dr. Wistar's Balsam of Wild Chery, for several years, and that I take great pleasure in recommending it in preference to anything of the kind for the purposes for which it is intended. The Rev. JACOB SECHLER, of Hanover, Pa., Well known and much respected among the German Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted. statement for the benefit of the afflicted.

Dear Sirs:—Having realized in my family important benests from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have always been benefitted by it.
