Lyon's Periodical Drops, THE GREAT FEMALE REMEDIES FOR IRRE

I have tested these Brops in my own place, over ten years, and do not hesitate to say, that nothing has yet been developed by medical research, that acts so powerfully, positively, and hurnilessly, in cases of female irregularity, as done this medicine. In all recent cases it never fails, while thousands who have been long sufferers, are indulted to it for the boon of health to day.

while thousands who have been long sufferers, are indebted to it for the boon of health to day.

Although so powerful and positive, they are perfectly harmless, and may be used at all times, except when specially forbidden in the directions.

They have been extensively employed by eminent physicians in France and England, as well as in my own practice, over ten years, and I have yet to hear of the first instance of failure. I could give you testimonials of their efficacy from ladies all over the northern and western States, were they not in their mature private. Over 100, 000 bottles have been sold the past year, and I hope and trust as many sufferers have been benefitted. I am well aware that a remedy so potent to remove all obstructions, may be used for a neal purpose, but trust that where one bottle is thus used, ten may full into the hands of really needly sufferers.

To all who suffer from any irregularity; paintal, difficult, excessive, offensive or obstructed Menstrantion, Lucorrhes, or the train of diseases that follow, I would say, try a bottle of Dr. Lyon's French Periodical Drops. Being a fluid preparation, their action is more direct and positive than any pills or powders. Explicit directions, bearing my facismile, accompany each bottle.

They may be obtained of nearly every druggest in the country, or by inclosing the price to C. G. CLARK & CO. New Haven, Ct., General Agents for the United States and Canada.

BETABLISHED AS A REPUGE FROM QUACE-RRY. THE ONLY PLACE WHERE A CURE CAN BE OBTAINED. DR. JOHNSTON has discovered the most Certain, Benedy and only Effectual Remedy in the World for all Private Diseases, Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervonsness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Unidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or skin, Affections of the Liver, Langs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fittal to their victims than the song of Syrens to the Matiners of Ulysees, blighting their most brilliant hope or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary
Vice, that dreadful and destructive habit which
annually sweeps to an untimely grave thousands of
Young Men of the most exalted talents and brilliant
intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked
to costaty the living lyre, may call with fall confidence. MARRIAGE.

Marrisd Persons, or Young Men contemplating unarriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and Full Vigor Restored.

This Distressing Affection—which renders Life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that understands the subject will pretend to deny that the power of procreation is lost sconer by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepssa, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death, Office, No. 7 South Frederick Street p m left hand side going from Baltimore street, a few doors from the corner. DR. JOHNSTON. Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life harbeen spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at midden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those whe have injured them, selves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

There are some of the sad and melancholy effects produced by early habits of youth, viz. Weakness of the Eack and Limbs, Pains in the Head, Dinness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of ideas, Depression of Spirits, Evil-Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and enaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN. TAKE PARTICULAR NOTICE.

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if no cured renders marriage impossible, and destroys both mind and body, should apply lumediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARIETAGE.

Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melanchely reflection that the happiness of another becomes bighted

Por restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the moothest face in from five to eight weeks, or hair upon hid heads in from two to three mouths. A few ignorant practitioners have maserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the bair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Cappilli; it will cost you nothing unless it fully course up to our representation a. If your Draggtet does not keep it, send as one dollar and we will forward it, postpaid, togother with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given.
