ROOFING! HIMES & CO., are the Agents in the Countles of Northumberland, Snyder and Montour, MWARREN'S Improved Fire and Water-Proof Roof. This is the cheapest and best Roof that can be put on a building. Has been used in the city of Philadelphia, since 1851, where it has superseded almost every other kind of Roof. It is recommended by the builders, and is used on all of the finest buildings in that city. Parties contomplating building, will do well to examine into the merits of this and all other kinds of Roofs, and give the best the preference.

The Fountain Hotel, of Sunbury, will, in a few days, be covered with this Roof, and parties desiring to do so, may call there and examine it.
