Thankful for past favors she hopes by a further
desire to please the public, the continuance of their
natronace.

LOUISA SHISSLER. Nov. 2, 1867.

TOOUR CUSTOMERS.

We take pleasure in announcing to Dealers in Fertilizers, and the Agricultural public, that we have within the past year increased our facilities for the manufacture of our Raw Bone Phosphate, to an extent unequalled by any other House in the United States or Europe. These facilities not only include the enlargement of our old established works in Philadelphia, known as the Delinware River Philadelphia, known as the Delinware River Agricultural Chemical Works, but also the purchase of extensive and well stocked works at Chienge, ill., with all the necessary machinery, ears, &c., to conduct the business. This establishmentalone has produced, annually, over 5000 tons of dried Bones and Meat, and is capable of being largely increased. We desire, by the closest supervision, to conduct these two concerns so that our customers will derive a tractical benefit from their con-

tomers will derive a practical benefit from their con solidation, in obtaining a MANURE which shall traintain a standard and uniform quality, and at the lowest possible price.

ZINGARI BITTERS

The component parts of this remarkable preparation were first discovered, compounded and distributed, some twenty years ago, by Dr. Cuspowsus, the celebrated Egyptian Physician. Thousands of his suffering countrymen were restored to health, as well as great numbers of the inhabitants of Nubis and Abyssinia, and of the countries bordering upon the Southern coast of the Mediterrancan Sea. Indeed, the fame of the ZinGARI BITTERS soon spread over Europe, and was adopted by the principal Physicians in the old world, in which it is still used with preeminent of the mediter of the principal Physicians in the same of the Nubis of the old world, in which it is still used with preeminent of the mediter of the principal Physicians in the same of the principal Physicians in the same of the Justice of the old world, in which it is still used with preeminent of the preeminent of the preeminent of the preeminent of the same of the country of the preeminent of the same of the sam

Remarkable cures of the above diseases have been feeted by its use, as numerous certificates, many from gular physicians, fully attest; and it is destined to persede any preparation extant. As an agreeable Tonic, and an invigorating Beverage, NO EQUAL.

A FEW WORDS TO LADIES.—The use of the ZINGARI BITTERS will give to you that soft, semi-transparent complexion which the God of nature (designing woman to be the loveliest of his works) fully intended that you should have—for it is nature's own powder and paint combined. By purifying the blood, atimulating the pigmentary cells of the dermis, and imparting health and life throughout the entire system, it especially gives that smooth clearness and beauty to the complexion so much to be desired—removing all roughness, blotches, freekles, pimiles, and that yellow, sickly look so common in our day; and what is even better than this, it cures every species of female irregularities and disease.
