Although so powerful and positive, they are perfectly harmless, and may be used at all times, except when specialty fortodden in the directions.

They have been extensively employed by eminent physicians in France and England, as well as in my own practice, over ten years, and I have yet to hear of the first include of failure. I could give you testimenous of their efficacy from ladies all over the northern and western States, were they not in their nature private. Over 100, 000 hottles have been sold the past year, and I hope said trust as many sufferes have been benefitted. I am well aware that a remedy so potent to remove all obstructions, may be used for a tad purpose, but trust that where one bottle is thus used, ten may fail into the hands of really needy sofferers.

To all who suffer from any irregularity, pointal, difficult, excessive, offentive or obstructed Mensituation. Lanestraca, or the train of diseases that below, I would say, try a bottle of Dr. Lyon's French Perisahual Drops Bering a fluid preparation, their action is more direct and positive than any miles up powders. Explicit directions, bear. GULARITIES!
