A FEW WORDS TO LADIES.—The use of the ZINGARI BITTERS will give to you that soft, semi-transparent complexion which the God of nature (designing woman to be the lovellest of his works) fully intended that you should have—for it is nature's own powder and paint combined. By purifying the blood, stimulating the pigmentary cells of the dermis, and imparting health and life throughout the entire system, it especially gives that smooth clearness and beauf it of the complexion so much to be desired—removing all roughness, blotches, freekles, pimples, and that yellow, sickly look as common in our day; and what is even better than this, it cares every species of female irregularities and disease.

Take Particular Notice. Dr. J. addresses all these who have injured themselves by improper indulgence and solitary labits, which rain both body and mind, unfitting them for either business, both body and mind, unfitting them for either business, study, society or marriage.

Thisse are some of the fad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Lambs, Pains in the Head, Dimness of Sight, Loss of Marcular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confosion of ideas, Depression of Spirits, Evil-Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c. are some of the evila produced. livered at the lowest rates.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emeriated, having a singular appearance about the eyes, cough and symptoms of communities.

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately. Having procured the services of a first class brewer, he is enabled to supply Landlords. Restaurants and private families with an article that is palatable, pure and healthy.

Orders are respectfully solicited which will receive prompt attention. wast a pity that a young man, the hope of his country

the darling of his parents, should be simtched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and induling in a certain secret habit. Such persons MUST, before contemplating Marriage, reflect that a sound mind and body are the most necessary requisites to promote communal happiness. Indeed without these, the journey through life becomes a weary pilgrim-age; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melan-choly reflection that the happiness of another becomes blighted with our own.

When the misguided and imprudent votary of pleasure finds that he has minibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased mose, nuctural pains in the head and timbs, dinners of sight, deafness, makes on the shin boxes and arms, blotches on the head, face and extremities, progressing with frightful implicity, till at last the polate of the mosts or the boxes of the nose full in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful suffering, by sending him to "that Undiscovered Country from whence no traveller returns."

It is a melancholy fact that thousands fall victims to this There Kilns are located at the Shamokin Valley Railroad, near Sunbury, where orders will be promptly filled.
