BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A REFUGE FROM QUACK THE ONLY PLACE WHERE A CURE

THE ONLY PLACE WHERE A CURE CAN BE OBTAINED.

DR. JOHNSON has discovered the most Certain, Speedy and only Effectual Remedy in the World for all Private Diseases, Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debulty, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Temblings, Dimeass of Sight or Guidiness, Disease of the Head, Throat, Nose or skin, Affections of the Liver, Lungs, Stemsch or Bowels—these Terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more faint to their victims than the song of Syrens to the Matiners of Ulyssea, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible. Young Men

Especially, who have become the victims of Solitary Vice, that dreadful and destructive liabit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senstes with the thunders of eloquence or waked to ceatary the living lyre, may call with full confidence.

Marriage. Married Persons or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cared.

He who places himself under the care of Dr. J. may may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

Immediately Gared, and Full Vigor Restored.
This Distressing Affection—which renders Life miserable and marriage impossible—is the penalty poid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensure. Now, who that understands the subject will pretend to deay that the power of procreation is lost sooner by those falling into improper habits than by the prodents? Besides deiry deprived the pleasures of healthy offspring, the most serious and destractive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mextai Panetions Weakened, Loss of Procreative Power, Nervous Irritiobility, Dyspepsin, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death, Organic Weakness

No Mercury or Nauscous Drugs. Dr. Johnston, Member of the Royal College of Surgeons, London, Grad-uate from one of the most eniment Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and else-where, has effected some of the most attonishing cures that were ever known; many troubled with ringing in the head and ears when saleep, great nervousness, being slarm-ed at sudden sounds, bashfulness, with frequent blashing, attended sometimes with derangement of mind, were cured immediately.

Take Particular Notice. Dr. J. addresses all these who have injured themselves by improper indusgence and solitary batats, which rain both body and mind, unfitting them for either business,

both body and mind, unfitting them for either business, study, society or marriage.

Thies are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the fack and Laulus, Pains in the Head, Dumess of Sight, Less of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Fanctions, General Debility, Symptoms of Consumption, &c.

MENTALLY—The fearful effects on the mind are much to be dreaded—Less or Memory, Confusion of Heas, Depression of Spirits, Evil-Forebottings, Aversion to Society, Self-Distrust, Lore of Solitude, Timility, &c. are some of the evils produced. the evils produced.

Thousants of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and enscinted, having a singular appearance about the eyes, cough and symptoms of consumption.

reflect that a sound mind and body are the most necessary requisites to promote commind happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despire and filled with the melancholy reflection that the happiness of another becomes blighted with our own

Discusse of Imprudence.

When the misguided and improdent votary of pleasare finds that he has imbibed the seeds of this painful discuse, it be often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, rom education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horned discuse make their appearance, such as ulcerated acre throat, discussed mose, noctural pains in the head and limbs, dimness of sight, deafners, nodes on the ship books and sains, blotches on the head, face and extremities, pagressing with frightful inpidity, till at last the palate of the mouth or the bones of the mose fall in, and the victim of this awful discusse becomes a horrid object of commiscution, till death puts a period to his dreadful suffering, by sending him to "that Undiscovered Country from whence no traveller returns." Disease of Imprudence.

It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that "Deadly Poison, Mer-

cury," ruin the constitution and make the residue of life miserable.

Strangers

Trust not your lives, or health, to the care of the many Undermed and Worthless Presenders, destitute of knowledge, name or character, who copy Dr. Johnston's advertisements, or style themselves, in the newspapers, regularly Educated Physicians, incapable of Curing, they keep you triding month after month taking their fifthy and poisonus compounds, or as long as the smallest fee can be obtained, and in despair, leave you with tuined health to agh over your gailing disappointment.

Dr. Johnston is the only Physician advertising.

His remedies or treatment are unknown to all others, prepared from a life spent in the great hospitals of Europe, the first in this country and a more extensive "Private Practics" than any other Physician in the world.

Indorscinent of the Press.

The many thousands cared at this institution year after year, and the numerous important Sargeal Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun." "Chapter," and many other papers, notices of which have appeared again and again before the public, heades his standard as a gentleman of character and responsibility, is a safficient quarantee to the afficient.
