Tun Coroner's inquest on Mr. Adam Frymire of Milton, who was killed near Watsontown, on the 234 of February, rendered a verdict that he came to his death by being thrown from the cars and breaking his neck. The jury further state that the care were thrown off the truck on account of the point of connection by a train going castward just previous to the accident, and the night watchman not having sufficient time to examine that part of the road before the Erle mail train passing westward. The jury consure the Railroad company for not keeping employees sufficlent on the road to discover breakages.
