### Tocal Affairs.

THE Excursion to Watkins has been postponed until the 18th of July.

SHOP LIFTING .- Some time during last week, an expert shop lifter took a Japanese silk dress pattern from the mammoth store of H. Y. Friling, Esq. Our storekeepers should keep a sharp lookout for the rascals, and when caught should have them punished with the extreme rigorof the ment from which they can procure the latest law.

A Finn occurred in Lewisburg, on Tuesday last, by which four frame dwelling houses were destroyed. There was no insurance on the property destroyed.

A. C. SIMPSON, Esq., of Selinsgrove, offers to give six acres of land, located near that place, to any one who will crect upon it a hot blast anthracite furnace.

Oun farmers are busily engaged in haymaking and barvesting. The hay crop will not be as good as is desired on account of the drouth. The grain crop is an ordinary one; though not so thick it is well filled. Corn generally is looking much better since the recent showers, and will probably yet give more than an average yield.

A. A. SHISLIN, Esq., and Mr. E. Wilvert, members of the Republican State Central Committee, attended a meeting of the Committee at Altoona, on Wednesday last. The former is the member of the Republican delegation at Washington, D. C., and the latter is the member for this county.

ICE CREAM FREEZERS .- A new lot just received and for sale by H. B. Masser.

FIRE .- On Saturday morning last, between 3 general alarm was given, the flames enveloped the whole building, which was burned to the ground with all its contents. A lot of prepared Phosphate and stock was consumed, amounting to several thousand dollars. The loss is probably to see an immediate effort made to put into organ-\$5000, which was partly insured. The fire is supposed to have been the work of an incendiary.

B. OF L. E .- The Brotherhood of Locometive Engineers, are making extensive arrangements to celebrate the 4th of July, on Bird's Island, between this place and Northumperland. The brotherhood is composed of excellent and deserving men, and we have no doubt they will celebrate our natal holiday in a becoming manner. Prof. Ulp's Quadrille Band furnishes the music, which we know is excellent, and have no doubt it will please those who wish to "trip it on the light fautastic toe.25
