THE COUNTY FAIR .-. The list of premiums of the Northumberland County Agricultural Fair Support, and compares with any city establishwill be found in another part of this paper. The premiums are very liberal, which will be a great inducement to exhibitors. From information had from different parts of the county, we feel confident that it will exceed by far, any Fair over held in the county. We are happy to state that the different Committees having control, are not sparing any efforts to make the grounds the best and most suitable for that purpose of any in this section of the country.

THERE is evidently some fear in the wigwam of the Irish Catbolic element of the Democratic party in regard to their candidates, and much anxiety fait for their success. We noticed no less than three Catholic Priests in town who appeared to be greatly interested in the proceedings of the Republican County Convention, on Tuesday last. On Thursday, Pat Hester, the prominent candidate for the next Sheriff, came to town, we presame, to arrange a plan for the candidates to pur- pany, are equipping themselves with a nest unisue during the campaign.
