He claims to be able to control the Germau vote in Northumberland county.— This, taken in connection with the declara-tions of a certain influential Republican of Shamokin, that Newbaker was and is pledged to go with the Republicans in all party measures in the next Legislature, ought to convince the people of the importance of electing Chalfaut and Gallagher, the Democratic nominees."

Now for the facts. Dr. Newbaker authorizes us to say, that he has not been in Montour county since the nomination. That he is not personally acquainted with Mr. Bright, and has never written or spoken to him on this or any other subject, nor authorized any one to do so. Nor has he written or spoken to any other person in said county on the subject. UNION REPUBLICAN STATE CENTRAL COMMITTER OF PRINSYLVANIA, LA PIERRE HOUSE.

LA PIERRE HOUSE,
PHILADELPHIA, Sept. 12, 1871.

To the Republicans of Pennsylvania:
We tender you our hearty congratulations over the glorious victories recently won by the Republicans of California and Maine. In the former a State has been won, after four years of Democratic misrule, by an overwhelming majority, and in the latter the firm hold of the Rpublican party upon the people has been maintained with a tenacity that cannot be shaken.

The victory in California has been gained after an arduous and exciting struggle. It is the result of systematic work, and it demonstrates the value of organization and well directed political labor. The victory in Maine has been won by keeping up the admirable organizations perfected in past years, under the operation of which the Republican vote has been thoroughly brought out.

ought out. Both these victories show to us the value and the necessity of thorough organization. They ought to inspirit us with the most ardent zeal and with a determination to imitate the example so worthily set us. We appeal to you, therefore, while rejoicing over the victories of your brethern elsewhere, to do as they have done, and secure by your systematic labors a victory as complete as theirs.

The steady stream of Republican success with, setting in with Connecticut, has since flowed on without interruption, must not be checked in its onward flow by a Republican defeat in Pennsylvania. We owe it to our friends in the States which have so gallantly upheld our banner to stand by them, and keep Pennsylvania in the pha-

SHAMOKIN, Sept. 11, 1871. EDITOR OF THE SUNBURY AMERICAN —You will bear in mind that a few years since Ex-Sheriff Wm. M. Weaver was nominated by the Democratic party, over Daniel Beckley, by fraudulent voting in the Coal Region. This same Sheriff Weaver is now upholding the late frauds that were practiced here which had the effect of placing in pomination certain candidates that ing in nomination certain candidates that are known to be courting the influence of the Roman Catholic element of this region. The Ex-Sheriff argues that they hold the balance of power, and always will, and can rule this county as they please. He is go-ing to the Mahanoys and other townships in a few days, and says he can bring the people in the country all right. I do not know what he can do there, but here he is politically dead. His old Democratic friends have all descried him, he is the on-ly man in Shamokin that bellars for the Yours truly, whole ticket.
