Mrs. J. Young, Mrs. M. Hass, who were some of twenty-seven years ago, we found an entire change of officers and tenchers, as well as rules and regulations. But one single veteran teacher of former days, Mrs. Samuel Gobin, was present to give encouragement to this landable enterprise. The rest having nearly all passed away and others more vigorous are filling their places, many of whom we noticed were pupils of the founders of the school. Mrs. Gobin, though well advanced in years, has still a class, having been a teacher over a quarter of century, and falthful in her devotion, she has the consolation and

she is looked upon as the remaining original plilow of a gigantic work, and Aunty Gobin's opinions are sought by both old and young. This mammoth school has gradually grown in numbers as well as influence, ever since its organization, and we are pleased to note is now in as flourishing a condition as any school in the State or probably United States. Under its present Superintendent, John Haas, Esq., it has increased more than double in numbers, and through litz will be happy to learn that he contemplates the efficient officers assisting him, the most approved modern regulations have been adopted, and the whole shool has become so systematized

that its workings are almost perfect.

gratification to know that her labors were not in

vain, but that her good works have produced ten

fold. As she moves among the scholars with

whom she has been associated from childhood,

The school is divided into three different departments, the infant, adult, and married. The whole is under the supervision of John Haas, Esq., who is assisted by Rev. Mr. Hemperley, who has charge of the married department, and Mrs. P. M. Sidndel of the infant department, assisted by Mr. Jacob Fetter and Jas. Beard, Esq. This infant department is probably the most inamily, Swiss Bell Ringers, will give an enter-teresting. When first organized it numbered about 80 scholars, and through the plous zeal onday evening, the 27th inst. To those who and energy of its Superintendent, has increased ive never heard them, we would say if you to 170 scholars. The teachers of the adult department are as follows : Male teachers-Wm. H. Rohrbach, Solomon Weaver, C. D. Rohrbach, KILLED. A conductor named Hall, on the P. Geo. W. Geringer, Elias Broslous, Wm. H. Du-E. Railroad, was run over and killed on Sun- ling, J. H. Engel, H. K. Goodrich, W. S. Rhoads, James Lyon, Jacob Weiser, P. F. Zimmerman, ad Northwaberland. It appears he was walk- Jacob Wilver. GODEY'S LADY'S BOOK for December fairly glitters with beautiful gems of art. For forty-one years the Lady's Book has been kept up and been steadily growing in popular esteem, and now is the beautideal of the age. The literary matter is fresh and full of interest. Fashlon along, when there are scores of influential men who are greatly benefitted by the papers who do nothing to sustain them. They might speak a good word for them, get their friends to subscribe for them, sustain them with their advertising patronage, and thus renumerate the hard-working newspaper man. Every citizen ought to be animated by sufficient pride, if by no other motive, to sustain ground papers, and thus see them to any single subscriber for one year for \$4.00 in advance.

WOOD'S HOUSEHOLD MAGAZINE for December is one of our brightest and cheerlest visitants for the month. Crowded with all the relishes of a Christmas Dinner, it makes one think of its ap-propriateness as a Christmas present for the lit-tic ones, as well as for the older members of the household. "Mrs. Santa Claus" Adventure," is aione richly worth the price of the Magazine a year. We notice that its publishers have recentber, which will be mailed free. Address S. S. Wood & Co., Newburgh, N. Y.

PUBLISHED as a warning and for the benefit of young men and others, who suffer from Nervous Debility, &c., supplying the means of self-cure.

A make used "Hoofiand's German Bitters and Tonic" in my family during the past year, and can recommend them as an excellent tonic, imparting tone and vigor to the system. Their use has been productive of decidedly beneficial effects.

WM. F. ROGERS.

Hon. Junes M. Wood, Ex-Mayor of Williams- in quality of goods offered for calc in my line. Hon. James M. Wood, Ex-dep-port, Pa.

I take great pleasure in recommending "Hoof-land's German Tonic" to any one who may be affilted with Dyspepsin. I had the Dyspepsia so hadly it was impossible to keep any food on my stomach, and I became so weak as not to be able to walk half a mile. Two bottles effected a perfect care.

JAMES M. WOOD.

SUNDYSLOS HEATER.

SUNNYSIDE AT MARYLAND STATE FAIR, BAL-

TIMORE.—First premium for Fire-place Heaters awarded the Sunnyside. Advantages of the Sannyside: 1. It is so constructed that one-third more of the radiating surface extends into the room, giv-ing that much more additional heat without ex-

tra fuel.
2. It is the only Hot-Air Fire-place Heater in the market. Like the regular built cellar heater, it loses no heat, but confines it all to its legiti-The fuel magazine is double the usual size,

extending from the fire box to the top of the stove, with capacity for twenty-four hours' supply of coal.

4. The patent double cover for coal magazine consumes the gas, prevents escape of gas into the room, and makes it impossible for any puf-fings or explosions to eccur. This is an advant-age possessed by no other fire-place stove in the market.

5. There are three air ceambers, wherein a 5. There are three air commbers, wherein a brisk circulation is kept up, drawing the cold air in the room through heated flues into a large hot-air reservoir, at the back of the stove.

6 No side pipes are used, as the air is heated in a reservoir having double radiating flues and double back, supplying large quantities of het alr without wasts of heat or fuel. 7. The SUNNTSHE utilizes the waste heat so

7. The SUNNTSIDE utilizes the waste heat so thoroughly that we frequently heat an adjoining room on the first, besides heating the rooms in second and third stories.

8. A dumper on top of the stove, connected with the hot air flues, controls the quantity of hot air required for the use of either the upper or lower rooms. All other fire-place stoves are very inconvenient in this respect.

9. The Grate is self-residing and no doctors.

9. The Grate is self-scaling, and no dust can escape white shaking it. STURAT, PETERSON & CO., Philadelphia. H. B. M VSSEn, Agent.
