Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics." "Appetiters," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Parifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying of all poisonous matter, and restoring the blood to a healthy condition, enriching it, refreshing and invigorating but mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepata or Indigestion. Headache, Pain in the Shoulders, Cooglis, Tiglitness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Billous Attacks, Palpitation of the Heart, Infammation of the Lunga, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the off-springs of Dyspepaia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Fermal's Comprising, and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Billious, Remittent and Internitent Fevers, Diseases of the Blood, Live, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Disease are caused by Vitiated Blood, which is generally produced by derangement of the Disease are caused by Vitiated Blood, which is generally produced by derangement of the Disease are caused by Vitiated Blood, which is generally produced by derangement of the Disease are caused by Vitiated Blood,

They are a Gentle Purgative as well as
a Tonic, possessing also the peculiar merit of acting as
a Powerful agent in relieving Congestion or Inflammation
of the Liver and Visceral Organs, and in Bilious Diseases.
For Skin Diseases, Eruptions, Tetter, SaltRheum, Blotches, Spots, Pumples, Pustules, Boils, Carlundes, Ring worms, Scald-Head, Sore Eyes, Erysipelas,
Itch, Scurfs, Discolorations of the Skin, Humors and
Diseases of the Skin, of whatever name or nature, are
literally deg up and carried out of the system in a short
time by the use of these Bitters. One bottle in such
exses will rouvince the most incredulous of their curative
effects.

Cleanuse the Vittated Blood whenever you find its impurities bursting through the skin in Pimples, Etuptions, or Seres; cleanue it when you find it obstructed and aluggish in the veins; cleanue it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands preclaim Vinenan Birrans the most wonderful Invigorant that ever sustained the sinking system.

the sinking system.

Pin, Tape, and other Worms, lurking in the Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually desivoyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and alimy deposits that breed these living monsters of disease. No system of Medicine, no vermitages, no antheiminities, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of Walkers's Vinences Bitters once or twice a week as a Preventive.

Billous, Remittent, and Intermittent Billous, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberiand, Arkantas, Red, Colorado, Braros, Rio Grande, Pearl, Alabama, Mobile, Savannab, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vinated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Die. J. WALKEN'S VINGGAR EITTERS, as they will speedily remove the dark-colored viscal matter with which the bowels are loaded, at the same time stimulating the secretions of the digestive organs.

There are three air ceambers, wherein a brisk circulation is kept up, drawing the cold air in the room through heated flues into a large hot-air reservoir, at the back of the stove.

6 No side pipes are used, as the air is heated in a reservoir having double radiating flues and double back, supplying large quantities of hot airwithout waste of heat or fuel. 7. The SUNNYSIDE utilizes the waste heat so thoroughly that we frequently heat an adjoining room on the first, besides heating the rooms in second and third stories.
