The flames spread rapidly, and before there progress was checked the whole theatre was destroyed. The loss is estimated at not less than half a million. The partieulars of the insurance are not at present known, but it is certain the insurance will not nearly cover the loss. The building was the property of A. T. Stewart. The origin of the fire is not known. It is said that four firemen are missing, and it is fear-ed they perished in the flames.
