My JOLLY FRIEND'S SECRET,

Miseellancons

In the wonderful medicine to which the afflicred are above pointed for relief, the discoverer believes he has comblined in harmony more of Nature's most soverelyn curative properties, which God has instilled into the vegetable kingdom for healing the sick, than were ever hefore comblined in one medicine. The evidence of this fact is found in the groat variety of most obstinate discasse which it has been found to conquer. In the care of Heronchittis, Severe Congliss, and the early stayes of Consumption, it has astonished the medical faculty, and eminent physiciana pronounce it the greatest medical discovery of the are. While it cares the severest Coughs, it attengtions the system and purifies the blood. By its great and thorough blood purifying properties, it cares all Humors, from the wost Serofula to a common Hotech, Pimples or Euruption. Meantal disease, Mineral Poisons, and their effects, are cradicated, and vigorous health and a sound constitution established. As a remedy for all such cases Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect curse, leaving the liver strengthened and healthy. For the curs of Habitual Constipation of the bowels it is a never falling remely, and those who have used it for this purpose are loud in its praise.
