The publishers advertise the November and December numbers

sent free to all aubscribers for 1873. THE BEST BOYS' AND GREEN MAGAZINE .-Demorest's Young America is always sporkling with entertaining stories, poems, numic, pozzles, games, travels and other pleasant features, is cofusely illustrated, and cannot roll to am truet and elevate, and assist to make the lives youthin Americans useful, truthful and large. The February number, just received, is a ni gent. Yearly, \$1 (0 Address W. Jeungs Demorest, 856 Broadway, N. Y.

A MODEL PARLOR MAGAZINE,-This is essentially true of Demorest's Monthly, which com-bines literary attractions of a very high order, with the most complete array of reliable faciliens of any periodical in the country. It is a model also, of artistic beauty in its illustrations and ty pography, as any one can see by reference to the beautiful February number, which we find on our table. This popular magazine, together with two beautiful and artistic oil chromos, representing in value \$13, and all for \$3, is among the marvels of literary enterprises.

Goder's Ladr's Book,-This most excellent and oldest of American magazines is on our ta-ble, and like his profecessors is a bijou of care excellence, and is only an improvement upon the earlier volumes in so far as the present is an improvement upon the provement upon force odd years ago. Goday keeps up with the age, if not a little ahead in the magazine line.

Dr. L. Q. C. Wishart's Pine Theo Tar Cordial, for Throntand Lung Diseases, has gained an envisable reputation from the Atlantic to the Pacing State Line.

WISHART'S PINE TREE TAR CORDIAL. NATURE'S GREAL REMEDY

> POR THE THROAT AND LUNGS.

It is gratifying to us to inform the public that Dr. L. Q. C. Wishart's Pine Tree Tar Cordial, for Throntand Long Discoses, has gained an enviable reputation from the Atlantic to the Pacific coast, and from themes to some of the first he coast, and from thence to some of the first families of Europe, not through the press sione, but by persons throughout the States actually Elisatock compelant

First. Not by storping cough, but by loosening and assisting nature to throw off the tu-

bronchial tudes, which causes irritation, Second. It removes the cause of irritation (which produces cough) of the mucrous momact and throw off the unhealthy secretions, and

Third. It is free from squills, lobelia, ipceas and disorganize the stomach. It has a soothing effect on the stomach, acts on the liver and kid- ing there. neys, and lymplatic and nervous regions, thus reaching to every part of the system, and in its Saubtry, Oct. 19, 1872. invigorating and parifying effects it has gained a reputation which it must hold above all others in
