chine of the most approved make, together with

Tun festival of the members of the Methodist congregation was kept up part of this week. We are informed that they were well patronized and that several hundred dollars were raised. The contest of voting for a cake between the Presidents of the Good Intent Fire Company and the Sunbury Steam Fire Company, resulted in favor of the former by a majority of four.

WASHINGTON CAMP, No. 19, P. O. S. of A. will celebrate their fourth anniversary in their half on Friday evening, 14th inst. Addresses

will be delivered and refreshments served. CHARLES ROUSE, of Freeburg, killed a large wild cat on Shade Mountain last Friday.

Ferry, belonging to Mr. George Seller, and was the trains. Mr. Seller has one ear of the corn that has 1320 grains, and informs us that many others have nearly the same number, which was raised on the field mentioned. This beats probably all the corn that has been raised in this section of the State. Mr. Seller is one of our most experienced farmers, and all other products on his farm yield similar crops.

A risticust took place on Saturday evening last, between two young men attending the Methodist festival. One of the young bloods has only lately come to this place, and having considerable "brass," introduced himself to some of the young ladies under a fictitious name, not having, it is said, borne any too good a character where he halls from, when another young man stepped forward and exposed him, which led to the difficulty. Young ladies cannot be too carethe young ladies under a fictitious name, not having, it is said, borne any too good a character ful in forming the acquaintance of strangers.

Tun P. O. S. of A. held a District Convention at Shamokin Dam, Snyder county, on Saturday last, which was largely attended by members of the Order in this vicinity. A parade took place in the afternoon, and able addresses were delivered. Washington Camp, No. 19, of this place was fully represented.

THE election on Friday last resulted in the re-election of most of the old Conneil, which is an evidence that the people appreciate improvements when their money is judiciously expend- gusta township. ed. Mr. Chas. Garinger was the only one defeated in the West Ward, which is much to be regretted, as he was one of the most punctual reasonable prices. She is also agent for the sale of the celebrated 'Silver Tongue Organs,' and the 'Bay State Organs,' and for the sale of the celebrated 'Silver Tongue Organs,' and the 'Bay State Organs,' and for the sale of the cumulative system of voting, which proves them. Office on Market street, east of the rail-and keeps the best men out of office.

DEATR OF AN OLD CITIZEN.—Hon. Jesse C. Horton, of Point downship, died on Thursday of last week, after a few day's lliness from typhoid pneumonna. Mr. Horton was widely known, having held a number of positions of publicterus, having held a number of positions of publicterus, and was an active Democratic politician until a few years past. At the time of his death he was a Director of the First National Bank of Subbury, which position he held for many years. He was aged about seventy-two years. His remains were interred at Northumberiand on Monday last with Masonic honors, of which Order he was an active and consistent member for many years.

Bonousu Electron.—The election on Friday last passed of very quietly. But few cases of transfer and the proceedings of the Borough of the member of the substance of the Borough of the member of many years.

Bonousu Electron.—The election on Friday last spaced of very quietly. But few cases of transfer and the proceedings the control of the Borough of the member for many years.

Bonousu Electron.—The election on Friday last spaced of very quietly. But few cases of transfer and the proceedings the configuration of the coal region are by no means depleted, but on the coatrary bave made have or delice, which is reference to making the proceedings thereof, for the information of Monday last with Masonic honors, of which Order he was an active and consistent member for many years.

Bonousu Electron.—The election on Friday last justice of the substance of the Borough of the sum of the substance of the Borough of the sum of the coal region and proved the sum of the substance of the Borough of the sum of the coal region are by no means depleted, but on the coatrary have much above the maximum and represented this district in the State Senate and the proceedings thereof, for the information of the coatrage and the coatrage a This we are willing to believe was an error, but none the less calculated to inistent. The unit-tary companies of the coal region have been in existence for three years, and the paltry amount so far paid them has burely sufficed to pay rents armories, which, under the law, must be paid efore any amount can be awarded to the niem bers of a company. As our, at least, of the panies so kindly mentioned by "Observer," a civil as well as a rallitary organization, and as all the officers of the other companies are to a above reproach, it is not probable that the immeuse amount disbursed has been misapplied That the present law is "iniquitous" is drawing the bow rather strongly; that it is very lame we will agree; and one of its lamest features is that it allows the tax to be collected and disbursed theorem, country official. through county officials. Appropriations for the support of the National Guard should be made the same as other appropriations for State purposes are made, and some of the officers aimed at in "Observer's" letter were active in hav-ing a new inw drafted last winter which should embody this provision, and then do away with the "hilquitous" law complained of by our ob-serving friend. The military companies of the coal region are fully able to take care of them-selves, and should "Observer" happen among us some fine evening, he will observe a good armory. some fine evening, he will observe a good armory, first-class gans and, I think, some good frilows who were on "glorious ampaigus," who will try and make it pleasant for him, although he has done what we would like to believe he did not do intentionally—stoop to personnities.

We conclude by observing to "Observer" that no matter what he may observe in future, we won't answer him, but go no in our own way, trying to been up the residence.
