WISHART'S PINE TREE TAR CORDIAL. NATURE'S GREAT REMEDY

It is gratifying to us to inform the public that Dr. L. Q. C. Wishart's Pine Tree Tar Cordial, for Throat and Lung Diseases, has gained an envlable reputation from the Atlantic to the Pacific coast, and from thence to some of the first families of Europe, not through the press alone, out by persons throughout the States actually enefitted and cured at his office. While he pubishes less, so say our reporters, he is unable to supply the demand. It gains and holds its repu-

ing and assisting nature to throw off the unhealthy matter collected about the throat and broughial tudes, which causes irritation.

Second. It removes the cause of irritation which produces cough) of the mucuous memorane and bronchial tubes, assists the lungs to act and throw off the unbealthy secretious, and purifies the blood.

Third. It is free from squills, lobelin, ipecas and opium, of which most throat and lung remedies are composed, which allay cough only, and disorganize the stomach. It has a soothing effect on the stomach, acts on the liver and kldneys, and lymphatic and nervous regions, thus reaching to every part of the system, and in its invigorating and purifying effects it has gained a reputation which it must hold above all others in

Just published, a new edition of Dr. CULVERWELL'S CELEBRATED ESSAY on the radical cure (without medicine) of SPERMATORRHCEA, or Seminal Weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual

Price, in a scaled envelope, only 6 cents. The celebrated author, in this admirable es say, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cared without the dyregerous use of internal medicine or the application of the kuife; pointing out a mode of cure at once simple, certain, and effec-tual, by means of which every sufferer, no mat-ter what his condition may be, may cure himself

cheaply, privately and radicalls.

This Leasure should be in the hands of every youth and every man in the land.

In the wonderful medicine to which the afflicted are above pointed for relief, the discoverer holicees he has combined for relief, the discoverer holicees he has combined for relief, the discoverer holicees he has combined for healing most sovereign curstive properties, which God has instilled into the vegetable kingdom for healing the sick, than were ever before combined in one medicine. The evidence of this fact is found in the great veriety of most obstinate discasse which great veriety of most obstinate discasse which it has been found to conquer. In the care of Bronchitts, Severe Coughs, and the early stages of Consumption, it has astonished the medical faculty, and eminent physicians pronounce it the greatest medical discovery of the age. While it cares the severest Coughs, it strongthons the system and purifices the blood. By its great and therough blood purifying properties, it cares all Humors, from the wost Serofula to a common Blotch, Plumpice, or Euruption. Mecurial disease, Minaral Poisons, and their effects, are eradicated, and vigorous health and a sound constitution establend. Erystipelias, Salt Rheum, Fever Sores, Scaly or Rough Skim, in whor, all the numerous diseases caused by bad blood, are conquered by this powerful purifying and invigorating medicine.

If you field dull, drowsy, debilitated, have saltow color of skin, or yellowish brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot fushes, low spirite, and gloomy foreboddings, irregular appetite, and tongue costed, you are suffering from Torpid Liver or "Billous-ness." In many cases of "Liver Complaint" only part of these symptoms are experienced. As a remedy for all such cases Dr. Pierce S. Olden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy. For the cure of Habitual Constitution of the bowels it is a never failing remedy, and those who have used it for this purpose are loud in its praise.
