Local Affairs.

LEWIS MILLER had his arm mangled on Wednesday morning last, while coupling cars in the yard of the N. C. railroad company.

The Pennsylvania Canal company, commenced the repairs at the Shamokin dam at this place.

The Reading railroad company have recently made some changes in the names of stations along their line in this county. Baker's station is changed to Hunter, and Gap to Dornise. An express office has been established at Dornise, Little Mahanoy township.

ARRESTS.—E. Dimmick and F. Dukard, of Caketown, were arrested on Wednesday last week, by constable Bright, for stealing a watch from the jewelry store of Frederick Voght, and brought before Esquire Snyder, who bound them over in the sum of \$500 each for their appearance at next court.

PERSONAL.—We were happy to see during last week, our former townsman, N. F. Lightner, who visited Sunbury. Mr. Lightner has many friends here who desire his visits often, but as he is doing a heavy business in Philadelphia, he is not able to gratify them. We are happy to state that he has consented to continue his "Occasional" letters to the American, which are anxiously looked for by the readers of this paper.

While at Shamokin a few days ago, we visited the law office of U. F. Johns, Esq., located on Sunbury street, which is one of the most neatly fitted up in that place. His book cases are well filled with a splendid law library, consisting of many of the best authors. Frank is a good lawyer, and we are happy to see he is brim full of business.

We are glad to notice that the United States Hotel, at Shamokin, kept by W. F. Kitchin, is presenting such a fine appearance. The house has been renovated and refurnished, and with the clever landlord now ranks second to none in the coal region.

Our thanks are due to E. D. Wharton, Esq., for special favors.

The American is issued one day ahead of the usual time in order to give an observer of Decoration day.

We learn that some parties have erected signs in the grove at the Bloody Spring, about a half a mile above this place. We hope that further improvements will be made at this place of historic interest. It could be made a pleasure resort.

A NUMBER of gentlemen of the Lumberman's Exchange of Williamsport visited this place on Saturday last, for the purpose of holding a meeting of the Directors. While here they were accompanied to the Sunbury room, erected to the west of the Exchange, by Mr. J. W. Wharton, John Hines, and J. H. Engle. It is estimated that about 12,000,000 feet of logs yet remain in the boom. The parties were greatly impressed with the natural advantages possessed by this place for the erection of saw mills, and we may expect that efforts will be made to make this a central point for a large lumber trade. The facilities are such that capitalists are encouraged to invest, and we look forward to the day, not far distant, when it will be proven on trial, that we have a larger field for enterprise than any town along the river. Every advantage desired to enter into business of any kind, will be found here, and business men will be enabled to make more money out of investments than can be found elsewhere.

We wish it distinctly understood that we do not insert advertisements unless they are ordered. An editor inserting advertisements without the consent of the parties concerned, and who afterwards presents his bill with threats of exposure if not paid, should himself be exposed in every instance, and should be looked upon as a leech in the community, unworthy the patronage of the public, and beneath the dignity of an editor or publisher. We are also poor, and might, perhaps, like some we know, gain a few dollars by pursuing the same course, but we have not yet made up our mind to degrade the newspaper business in this way.

A NEW TIME TABLE went into effect on Monday, on the N. C. road, and trains now depart from Sunbury as follows: South—Erie mail, 12:30 a. m.; Express, 9:40 a. m.; Mail, 11:15 a. m.; Niagara Express, 8:30 p. m. North—Mail, 6:30 a. m.; Express, 6:55 p. m.; Erie mail, 4:15 p. m.; Niagara Express, 12:30 p. m. Trains leave Sunbury for Lewisport at 7:30 a. m. and 4:30 p. m.; arrive from Lewisport at 1:30 and 8:30 p. m.

THE MORNING EXPRESS is the title of a new daily paper, which made its appearance on Tuesday morning last, published by F. A. Howler of this place. The paper is neatly gotten up, and presents a lively appearance, and is edited with commendable ability. The local department under the control of E. G. Gobin, recently reporter for the Sunbury Daily, and shows that he is determined not to let the public lose sight of his paper. The paper will advocate Republican principles. The editor labor for Reform and Democracy, unsuccessfully, and now he gratefully comes back to his first love. Two daily papers in our midst, will, no doubt, soon give us spice in the way of cross-fires, particularly when the editors have learned each other by former close associations in the Democratic ranks.

If editors were out of temper as often as they are out of money, it would be hot times for those about them.

MR. DENNIS BURGH, has resigned his position as Div. Inspector, on Gen. C. C. McCormick's staff, and Capt. A. Caldwell, of the "Shamokin Guards," has been tendered and accepted the position. Col. Caldwell did valiant service during the late war, and is a military man of the true metal. He is a wide awake soldier, and will be an honor to his new position. We congratulate the Colonel upon his promotion as well as Gen. McCormick upon his choice in the selection of an officer on his staff.

MR. Wm. Hoover who has laid in a full supply of excellent fish, is now serving his customers, daily, with this necessary article in warm weather. Mr. Hoover is not only prompt, but obliging in dealing with his customers.

CAPT. CHAS. J. BRUNER, and **H. D. WHARTON**, of this place, have been summoned as Grand Jurors to the U. S. Court, for the Western District of Pennsylvania, which convenes at Williamsport on the 16th of June next.

A PISCATORIAL PARTY.—Col. G. B. Caldwell, Dr. F. L. Haupt, Conductor B. Aughenbaugh, and Alexander Boyd, Esq., of this place, returned from a piscatorial expedition to Clifton county last week. They report the spotted bass, may fish as abundant, having caught over 300 in one day. Fish had better not come too close to shore when these Waltonians are about, as they are sure to angle them.

HORSE AND BUGGY STOLEN.—On Friday night last, the stable of Mr. Jacob Harris, near Georgetown, Lower Mahanoy township, was entered, and a horse and buggy stolen. At last accounts no clue to the thief or the horse and buggy has been discovered.

We are informed that the child found on the river at Georgetown, last week, was a boy, and that he was recognized by Thomas Lamb, of Wilkes-Barre, as his son, who had fallen in the river, at that place, some six weeks ago. He was about six years of age. His remains were taken to Wilkes-Barre on Saturday last.

ALWAYS keep to the right. Driving in the street, walking on the sidewalks, or wherever you chance to navigate, keep to the right and avoid collisions. Some people think it etiquette to give the lady the inside of the walk; but this is neither true etiquette nor a safe custom.

YOUNG ladies, always give precedence to age. Never go to the wash tub if your mother or grandmother are present—they might think it disrespectful.

If your grandmother has a high tortoise shell comb lying around loose, get possession of it—stick it in your back hair, and you will rejoice in the latest style.

DELINQUENT subscribers should not permit their daughters to wear the paper for a bustle; there being so much dust on it there is danger of a cold.

VEHICLES of merchandise are notified that an appeal will be held at the Commissioners' office, in Sunbury, on Monday, June 2d. Also, that the license and fees must be paid on or before the 10th of said month, in order to save costs.

A SMALL child of Henry Hopp, of the Augusta Hotel, this place, had one of its eyes put out on Monday last, by a stone thrown by a boy. This is another lesson to boys who persist in settling their disputes by throwing stones at each other.

The Parasols to be carried this season embrace almost every imaginable style, and are of all colors.

Look out for sharpers and keep your eyes open. If you do not want to be imposed upon by swindling patent right agents, or parties soliciting subscriptions for papers who are not properly authorized to receive them. We notice that a number of such individuals have been victimizing people in some of the adjoining counties.

The Ladies do their hair up so high now, that they have to stand on something to put on their hats.

DR. J. B. STEVENSON, proprietor of the American Hotel, on Third street, removed to his farm, about five miles from Sunbury, on Tuesday last. Mr. William Egger, his son, will run the American in the future.
