RAILROAD COLLISION.—The Einifra mail golog north, and the Niagara Express going south, collided a short distance east of Montgomery Station, on Tuesday evening last. The collision took place at a curve, and the trains came close together before the danger was discovered. The air-brakes were applied, and the engines reversel, but not in time to prevent the crash, which demolished both engines. The engineers and firemen saved their lives by jumping off. Several of the cars were injured. Both trains were running at about 20 miles an hour; a higher speed would have caused a great loss of life. There were none killed, and but few injured. The firemen were slightly injured. John Weaver, a brakeman, was cut about the head, and that one arm hurt. Mrs. Lee, of Williamsnort.
