DEDICATION OF THE M. E. CHURCH.—The new M. E. Church in this place, was dedicated on Sunday last. A number of ministers from abroad were present, and participated in the ded-leatory exercises. The church edifice was erect-ed during the pastorage of Nov. W. W. Evens, of the Methodist congregation at this place, to whose incessant labor must be accredited the rection of this place of worship. During his pastorage, after many discouragements, it was finished internally as far as the lecture room which was dedicated for worship, but since that time it has remained in an unfinished condition, the members feeling unable to proceed with the spirits started up anew, and determining upon finishing it they succeeded in their enterprise. The church is one of the largest in this part of the country, and is handsomely finished. The Rev. Mr. Evans, the projector, was present at the dedication, and the congratuintions poured upon him at the completion of the work in which he feit so much interest, showed that his
