gar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?"
Our answer is, that they remove the cause of disease, and the patient recovers his health. has been; ask history and she will tell you

Men have grown old in our patronage—
Babies on their mothers' breast
To bouncing boys at play;
And youths by maldens fair caressed,
To stalwart men with cares oppressed,
And old men silver gray.
And among the honored and lasting impressions of time, and the crash of revolutions in circumstances, we stand a living monumental memento of the ingenuity and perseverance appertaining to the identity of progression, plying our vocation with the highest style of art and perfection, and aspiring to achieve the highest reward of merit attainable in our humble capacity, and the sentiment of respect and approbation which the presence of superior appliances and establishment are always wont to inspire.

Always to please

Always to please We shave with case— Cut and comb with taste the hair;

Shampoo the head with soothing care,
And color the whiskers black or brown,
To suit the people about the town.
Then allow me politely request you to stop,
And not go past nor from around our shop.

To get shaved on the basis of ability—nor as some have done for our use of the ballot for priuciple—sacred and right—nor under the common secret and invidious guise of eamity ts complexion; for the cut of a man's coat, or the color of his skin, ought not to affect his usefulness nor his qualifications. A fair chance is all that we demand, to give the proof to all the land.
