EM'L WILVERT, Chairman. L. M. MORTON, Secretary.

#### Republican State Convention The Republicans of Pennsylvania will hold a State Convention at Harrisburg, at noon, on Wednesday, August 19, 1874, for the purpose of

nominating candidates for Lieutenant Governor, Auditor General, Secretary of Internal Affairs and Judge of the Supreme Court. The representation of the several counties in this Convention will be based on the appointment present Legislature, each Senatorial and Repre-

sentative district being entitled to delegates equal in number to its representation in the Legislature under said apportionment.
RUSSELL ERRETT, Chairman.

JOHN M'CULLOUGH, Secretaries.

PROMISE OF BETTER TIMES .- Evidence Tuesday night, hundreds of dwellings, the of the approach of better times is accumu- post-office, Adelphi theatre, First Baptist lating, and seems so strong as to leave no church, and several hotels had been burndoubt that there will be a favorable turn in ed, and the conflagration continued to rage business before the lapse of many weeks- until one o'clock in the morning. The fire in fact that we are already in the dawn of destroyed over fifteen blocks of buildings, better times. The New York Herald pro- covering about sixty acres of ground. nounces all the signs of genuine prosperity Among the buildings consumed were 344 auspicious. There are, it says, good tidings about the harvests; our wharves are 2 synagogues. The losses are estimated at crowded with ships to export our products upwards of \$4,000,000. Another fire in to foreign lands, and the fear that the cot- the northwestern part of Chicago, on ton crop would be destroyed is over. Rail- Wednesday afternoon, destroyed fifteen or way and other shares, which have long twenty frame buildings, causing a loss of ruled at false rates on account of dishonest management, watering and adding false quantities to their values, real estate which has been bought and sold so long, not for what it is worth, but for whatevere brokers or speculators could be induced to lend 'on a margin,' are coming to their true value. The panic was the end of the system of falsehood upon which the business was based. We came down to hard pan. The Troy Times informs us that all the stove foundries in that city are running, some on full time, others under a slight reduction. Trade is fair, it says, and there are no prospects of the foundries shutting down this season. Pennsylvania iron dealers (continues the Times) say that during the past turned from a visit to Lebanon county, and ten days they had more orders for iron than during the previous six weeks. Iron dealers in Troy have not had any such experi- to this county. As the district is composed ence as yet. They hope for it, however, of Dauphin, Lehanon and Northumberland, And here is home evidence: 'It is rumored that within the course of a week or so the working time of the employees in the Altoons shops will be increased to ten hours instead of eight, as at present, and six working days will be resumed instead of five.' Again : 'The Lehigh Crane Coal and Iron Company are about blowing in one of their furnaces, which is the third now in blast since they entirly shut down some time ago. At the Thomas Iron Company, where strikes have been threatened for some time Postmaster General, the honor was tenderpast, it is said the hands have all gone to ed to Hon. John B. Packer, of Sunbury, work, accepting the present situation.'

We shall perceive more would also have given Pennsylvania her compare its general character and record Federal Cabinet. - Bloomsbury Columbian. with those of the latter. The Republican party (says the Buffalo

Express) has, from the first, pursued a course which demonstrates its fidelity to the Union, its love of freedom and its ability to deal with governmental problems, however complex or delicate, and settle them in a manner best adapted to conserve the interests of the whole country without intriguing upon the rights of any particular part. The Democracy has proved itself to be the enemy of the Union by its efforts to rend it into fragments; of freedom, by its endeavors to hold millions in hopeless bondage, and by shameless incapacity and treachery it has ever shown a disposition to sacrifice the interests and honor of the nation to its own selfishness and aggran-

The Republican party has redeemed its pledges to the people by effecting all practicable retrenchment and economy in the distribution of government expenditures. showing a saving of many millions of dollars to the treasury. The Democracy has ally brought by the wife against the hussystematically disregarded every promise band. In a recent case in New York, it has ever made, ignored all sense of moral however, this rule was reversed. The obligation, and has seized every opportuni- complainant was the husband, who charged ty to enrich itself by wholesale plunder and his wife with cruel and inhuman treatment, robbery of the public chest.

The Republican party has rendered good testimony given of the truth and gravity service to the country, and uniform con- of the complaint, that the divorce was sistency and fidelity to the interests and granted. So it seems that in this as in honor of the nation, commands and enjoys, other matters, there is an important excepthe respect and gratitude of the great mass | tion to the rule, and that there are someof the people. The Democracy has done times husband-beating wives as well as its best to entail ruin and dishonor on the wife-beating husbands. nation, and finds itself cast out as an infamous malefactor by an indignant people whose confidence it has wantonly abused

The Republican party, conscious of its rectitude, courts inspection, and shrinks from no scrutiny, however severe. The Democracy dreads the light, lest its true character should be reveiled and its deeds reproved: it hides its record in darkness as a plunderer would his pelf, and weighed in the balance of a righteous judgment it is found wanting in everything that could bottom. The pathway is quite narrow, shield it from everlasting execration.

deadly blow at Mr. Beecher, and if he did anything, that is what he should have

But Beecher decided to brave Theodore, and this gives him this opportunity. The plucky Tilton has given notice that in a few days he will make a sworn statement of the exact facts in the case, and that he will mash Mr. Beecher completely.

Mrs. Tilton's action is regarded as very curious and queer, for it is understood that it was from her lips that Mr. Tilton first gathered knowledge of the outrage. Altogether it is a queer mess, and our advice ton must either kill Beecher or be killed himself. He is in a position where nothing but blood will answer. Wait and see whose head rolls in the sand.

Now that the hydrophobia scare is fairly off, New York is getting into a fright over dyptheria. The papers are calling attention to the fact that while London averages about six deaths from diptheria per week, New York, with about one-fourth its population, looses thirty-three. The physicians the Board of Fishery Commissioners give Affairs of the same date, received to-days say it will increase unless the disease-engendering filth of the lower part of the city is cleansed out, and new, clean, healthful sewers constructed in their stead. But as New York has to have some disease, why not diptheria? Until the city is about as good as rebuilt in the matter of sewers. and until the abominable system of overcrowding in tenement houses is done away with, New York will never be without an epidemic. Men, women and children cannot live like swine without paying the
