BALTIMORE LOCK HOSPITAL DE JOHNSTON,

Physician of this celebrated Institution, has discovered the most certain, speedy, pleasant and effectual remedy in the world for all DISEASES OF IMPRUDENCE.

Weakness of the Back or Limbs, Strictures, Affections of Kidneys and Bladder, Involunty, Nervousness, Dyspepsy, Languer, Low Spirits, Confesion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dinness of Sight or Gldffiness, Disease of the Head, Throat, Nose or Skin, Affections of Liver, Lungs, Stomach or Bowels—these terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impos-

YOUNG MEN especially, who have become the victims of Soli-tary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced fistening Senates with the thunders of eloquence or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE. Married Persons or Young Men contemplating marriage, aware of Physical Weakness, (Loss of Procreative Power-Impotency), Nervous Exeltability, Palpitation, Organic Weakness, Neryous Debility, or any other Disqualification,

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Phy-

ORGANIC WEAKNESS, Impotency, Loss of Power, immediately Cured and full Vigor Restored. This Distressing Affection-which renders Life

miserable and marriage impossible—is the penalty paid by the victims of improper indulgences Young persons are too ant to commit excesses from not being aware of the dreadful consequeces that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into uproper habits than by the prudent? Besides being deprived the pleasures of healthy offspring the most serious and destructive symptoms to both body and mind arise. The system becomes de-ranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and

Indeed without these, the journey through life becomes a weary pligrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melan choly reflection, that the happiness of another secomes blighted with our own.

A CERTAIN DISEASE. When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an Ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, noctural pains in the head and limbs, dimness of sight, enfness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall n, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful suffering, by sending him to "that Undiscovered Country from whence

no traveller returns." It is a melancholy fact that thousands DIE victims to this terrible disease, through falliinto the hands of Ignorant or unskillful PRE-TENDERS, who, by the use of that deadly Poison, Mercury, &c., destroy the constitution, and incapable of curing, keep the unhappy sufferer month after month taking their noxious or inurious compounds, and instead of being restored in a renewal of Life Vigor and Happiness, in despair leave him with rained Health to sigh over
