

Humorous Sketches.

CHAMPION OF THE WORLD.—For some time past, says the Detroit Free Press, a Canada negro has been walking around the Central Market and "blowing" how many melons he could eat in a given time. It was known that he was pretty heavy on melons, and the American dicker had to take a back seat and hide their time. Thursday evening a steamboat fireman called "Black Betsy" stopped off here, where he lives, and he happened around the market yesterday just when "Tall Jack" of Canada, was blowing the hardest. "Talking 'bout melons," sung out "Betsy," "about eating melons." "Why, sir, I kin eat more melons than any two niggers in Kennedy's!" The terms were soon arranged, each contributed half a dollar, and the dollar, bought eighteen fair-sized musk and water melons. They were carried over to a shady spot on Bates street and divided into two piles, and it was agreed that the one who failed to eat his, or who quit first, should pay for all. Both men took off their coats, unbuckled their straps, and went to "business." "Talk 'bout eating melons!" sneered Betsy, as he ripped open the melon. "You kin eat 'bout six mouthfuls of it. 'Ye-a, talking 'bout melons—umph!" replied Jack, slugging away a heap of rinds. Neither of the contestants paid any attention to water melon needs, eating them down, and the interior of a musk melon was raked out at the fourth melon. Neither faltered until after the fourth melon, when the Canadian began to pick out the seeds and go slow. His friends rallied him, and he got into the sixth melon as Betsy yelled his seventh. "Wah-hoo!" he yelled, "I've shot the crowd, as Tall Jack looked despairingly around and nibbled once or twice at his seventh. He managed to gulp down half of it, and then leaned back against the fence, slowly pulled out the eighth, bit open and went through the ninth, and as he reached over and took the largest one from the other pile he yelled, "Melons! Melons!" Tall Tom kept that street-crowd out of the way of doors today!

Medical.
Dr. J. Walker's California Vinegar Bitters are a purely Vegetable Preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost asked, "What is the cause of the impure blood, which is the cause of the disease?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and life-giving principle, a perfect Restorative and Invigorant of the system. Never before in the history of the world has a medicine been compounded possessing the valuable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving the system of inflammation of the Liver and Visceral Organs in Bilious Diseases.
Properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Cathartic, Nutritious, Laxative, Diuretic, Pectoral, Emollient, Sulfuric, Astringent, and Anti-Bilious.
Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant and Restorative ever discovered. No person can take these BITTERS according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.
Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Sacramento, and other rivers, and in the States of Texas, Louisiana, Florida, Alabama, Georgia, South Carolina, North Carolina, Virginia, West Virginia, Kentucky, Tennessee, and other States, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic so safe and so equal to VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.
Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the Region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. A bottle will prove a better medicine than any other, and will cure the most obstinate cases of this disease.
For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.
Mechanical Diseases.—Persons engaged in Painting and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.
For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sores, Erysipelas, Itch, Scabies, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.
Pin Tapes, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vomitives, no cathartics will give the system from worms like these Bitters.
For Female Complaints, in young or advanced life, or in the days of the menses, or the turn of life, these Tonic Bitters display so beneficial an influence that impure blood is soon purified, and the system cleansed and invigorated.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

J. Youngman's Improved Slide Valve for Stationary and Locomotive Engines.
HAVING within the last few years completed the invention of a Steam Slide Valve designed for the purpose of removing the pressure from the valve as it exists at present, we will warrant for six months and place one in any Locomotive, any Ocean Steamer, any Inland Steamer, or any other stationary engine. It is simple, effective and indestructible, and saves fuel and machinery. It moves its weight only, and does not depend upon the elasticity of the steam to apply it, and the time occupied in substituting it for the ordinary "D" valve need not be over half an hour.
It is indispensable to the mines where hoisting is done. With this valve the engine can be prevented without shutting off the steam, thus saving time and a working labor. This valve can be moved easily with one hand when surrounded by any amount of pressure. Address
