Election, Tuesday, November 2nd. Republican Standing Committee. There will be a meeting of the members of the Republican County Standing Committee held

at the Arbitration Room, in the Court House, at TUESDAY, SEPTEMBER 21st, 1875.

It is hoped every member of the Committee L. HUFF, Chairman.

THE excuses of the hard money men who were suddenly converted to soft or paper money at the Erie Democratic Conthe leading members of the Convention, whom we met a few days since, said his | Tribune says : mind had been changed within the last three months, and that he now believed greenbacks were the best currency in the auced the greenback currency the Democratic speakers, at their meetings, called them worthless rags, and some of them declared that they were of no more value than the badges worn by the men in procession. We expected that they would sooner or later have their eyes opened and acknowtheir platform. But we should not be sur- swell the din." prised at any policy that modern Democracy should see fit to adopt. After selling isms, as their candidate, they could hardmocrats. The Benton mint drops are now the chair, and as the Times says: discarded, and the leaders of the party in ... He had hardly turned round, however,

FRANK HUGHES, of Schuylkill county, government in severe terms, and denounce the currency it was issuing in the shape of would come when "a bushel of them would not buy a bushel of potatoes !" Mr. Hughes was chairman of the committee on resolutions at the Democratic conventionat Erie, last week, and he there reported and had adopted a resolution urging an entire greenback circulation for the country. We are glad to see that Mr. Hughes and his Democratic brethren have a better opinion of greenbacks than they had when this currency was a vital question in the preservation of the Union. It doesn't look as if they so much disliked greenbacks then as they were auxious to embarrass the war to put down the rebellion.

sters ravenous for office.

The Democratic party is not an organi- cent. zation to be noted for its consistency to principle. When it was powerful, and led by such men as Benton Buchanan, &c., it was an out and out hard money party, having as great a horror of paper money as clared for an inflation of the currency. Hughes, who heretofore proclaimed his rious number at a most serious time.

JUDGE PERSHING. What They Think of Himm His Old

The Johnstown (Cambria county) Tri-"Cyrus L. Pershing, formerly of this place, has been nominated for Governor on an inflation platform. This nomination was made not because Pershing was considered the proper man, but because the friends of the prominent candidate spoken of could unite on no person who had a political character. There are some people here who imagine he will make a strong in the sinking fund as required by law in candidate, but he has not been so before, although he has been benefited by dissensions in his own party just as he was at Erie last night. He was elected several this county, but there never was a time within our recollection that the Democrats could not elect their nominee, provided he received five-sixths of the party vote. He has been whipped for Congress, for Judge of the Supreme Court, and for Judge of the District Court for the Southern District of Cambria, by an overwhelming majority, and was only elected Judge of the Schuylkill District Court because there were divisions in the party there. He has profited greatly by office, and is considered worth knows anything about his practice here believes that it averaged \$1,800 a year, and he had no other sources of income except his profession and his politics. He is cunning, close-mouthed little man, who can worm himself into more places, say less, do less, and make more money by this course than any man on the continent. Here he is considered very thin material."

Undoubtedly, State on a Sunday, there would have been bankers would be glad to set some of their abundant capital afloat where it would do others and themselves the most good, but with for the poor to become poorer, as has been the exchange; it was no sense the object for Congress, is ahead of his ticket and will meetings and it is all right. Reformers what hour they may want it themselves. ward Hales, residing at 1400 N, 21st St., Philashould begin reforms right. It is well to One case, that is a specimen of a hundred hold temperance meetings on Sunday for others, is that of a man who spent days the Returnes received at the Kennebec legitimate purposes, but a political reform last hot week trying to borrow \$5,000 for Democrats who, during the war, did so much to bring disaster upon the party and which fools seek a remedy in this inflation. country, nor in any other commercial Journal office this morning, mostly official party, should set a better example than by six months, with \$200,000 worth of firstrate securities in a Western city in his Watts and Whilam Watts, residing at Hartford, Warren Co., Iowa. The children and heirs of pocket, without success. Business of every

It is pitiful to see the great retail stores, which were always thronged at this season of new goods, as little crowded with buyers as the vestry of a country church at the weekly prayer-meeting. With all the depression, there is a rise in some articles. Carpets are higher, and China has advanced | sons interested, to be and appear before the Hon in price at the best houses. Probably the only way dealers can make up their expenses is by putting a small extra profit on such goods as will bear it.

A mildly rough finlsh on all sorts of wools goods is in style at present. Cashmeres and merinos, with surface almost as dull as serge, and the Knickerbocker goods, like winsey, with knots of brighter color on the face, will be the popular wear, with trimmings of silk, or the wide woolen or silk braids seen last year. The shapes introduced last spring were so graceful that they will be retained through the winter. The apron overskirt, round or square, long, and becomingly draped, with the closely-fitted basque, lengthened in front to give more the idea of a wrap, will be models for every sort of costume. In cloaks, a deep sacque, fitting in the back, loose but not ackward in front, is the newest pattern, and will be made in heavy drap d' ete and siciliene, the soft thick silk, with the pliancy and substance of cloth. brown, will appear as soon as the chip and straw of summer are laid aside. Trimtion for our domestic concerns, and the officials; over them the Morrisseys, Kellnet for best wear. There are the few hints decreases; every man therefore, owning tendencies; the supremacy of the civil over leys, and O'Briens; over them the priests it is safe to offer for the selection of country We hold from all this that, in this mat
