The Aperlent and mild Larative properties of Dr. Walkers's Vinegar Bitters are the best safegund in all cases of cruptions and malagnant fevers, their balasmic, healing, and soothing properties protect the humors of the fauces. Their Sedanva properties allay pain in the nervous system, stomach, and bowels, either from influmnation, wind, coic, cramps, eur. Their Counter-Irritant influence extends throughout the system. Their Dimeter properties act on the Kidneys, correcting and regulating the flow of urine. Their Anni-Bilious properties stimulate the liver, in the secretion of hile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus forearmed. The

Pierce's Pleasant Purgative Pellets, in explanation of the remedial power of my Purgative Fellets over so great a variety of diseases, I wish to say that their action upon the animal economy is universal, not a gland or tissue escaping their sanative impress. Age does not impair them; their sugar escling and being enclosed in glass bottles preserve their virtues unimpaired for any length of time, in any climate, so that they are always fresh and reliable, which is not the case with the pills found in the drag stores, put up in cheap wood or passe-board boxes. Recoilect that for all diseases where a Laxative, Alternative or Furgative is indicated, these little Pellets will give the most perfect satisfaction to all who use them.

They are solid by all curerwise in the case with the pills dent in the price tails decided to all who use them.
