This Remedy has been in use over twenty years, and has cured thousands of cases considered from rable by the profession. It has not failed in a single case to give relief if not entirely cure.

It is particularly recommended in the following domplaints:

SICK HEADACHE, PALPITATION

Just published, a new edition of Dr. Cuiverwell's Criebrated Essay on the radical cure (without a constraint of the following state of the state of the

experies. In a sealed envelope, only 8 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years encessful practice, that the alarming consequences of self abuse may be ratically cured without the damagerous use of internal medicine or the application of the Knifer pointing out a mode of cure at one simple, certain, and effectual, by means of which every sufferer, us matter what his condition may be may cure himself cheaply, privately, and radii without expense tost a parties for whom we have and who have never lost a parties for whom we have and or interest in this class. 23. This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, pestpaid, on receipt of 6 cents, or two post stamps.
