NEW MUSIC.

for a pen- are we impelled to make some remarks and her prize, an American armed tion on account of her father's service upon a song recently published, and ship called the Kitty, commanded by ninety-three years before, created a entitled "Kiss me, Darling, When ably be used in this paper many

ninth, a red stripe, instead of on the eigth, which is a white stripe, as at the present, and that the stars, which are two feet from point to point, are arranged in five parallel lines, three stars in each horizontal line. An interesting account of the battle of Fort McHenry and the writing of "The Star Spangled Banner" by Francis S. Key was then given. The printer boy who first put the song in type in the office of the Baltimore American, still survives, and is Samuel Sands, Esq., the respected editor NO. 8. and publisher of The American Far. The ship Minden, on board of mer. which the song is said to have been ternately red and white twisted by written, and under the guns of which Washington at Cambridge, January it certainly was composed, was an-A special meeting of the New Eng-land Historical-Genealogical Society Paul Jones and the Captain of his Robert to 1859, and was used as a hos-
