OVER THERTY YEARS AGO LTON'S KATHADISON FOR OVER THERTY YEARS AGO LTON'S KATHARBON FOR THE HAIR was first placed in the market by Professor E. Thomas Lyon, a graduate of Princeton College. The name is derived from the Greek "KATHRO," signifying to cleans, purify, rejuvenale, or restore. The favor it has received, and the popularity it has obtained, is unprecedented and incredible. It increases the GROWTH and BRAUTT of the HAIR. It is a delightful dressing. It eradicates dandruff. It prevents the HAIR from turning gray. It keeps the head cool, and gives the hair a rich, soft, glossy appearance. It is the same in QUANTITY and QUALTITY as it was over a QUANTER of a CENTURY AGO, and is solid by all Druggiets and Country Stores at only 50 Cents per Bottle.

Woman's Glory is Her Hair. LYON'S It acts instantly, releiving the parexysm home-diately, and enabling the patient to be down and sleep. I suffered from this disease twelve years, but suffer no more, and work and sleep as well as anyone. Warranted to relieve in the worst case. Sent by mail or receipt of price, one dollar per box; ask your druggist for it. CHAS. B. HURST, Rochester, Beaver Co., Pa.
