Who wrote the "Arabian Nights"?

Who knows? Not Captain Mayne Reid; though if he had been born a Persian, and lived long enough ago...

But Mayne Reid didn't see the cloud of dust which covered those robbers...

You could never guess who wrote the Arabian Nights...

There are several laws in our statute books on this subject, and hundreds of persons have been put to great trouble and expense...

Such Schools of republicanism exist in all our States...
