The influence of public opinion, is

greater than is generally imagined; and as it makes our reputation, it is well that we take some thought of the impressions we leave, and show a degree of respect for the sentiments and

cherished opinions of society. We have heard men say that as long as

they acted conscientiously and did

what was right, they cared very little

what people thought of them; reason-

ing highly commendable in itself, that

may be very well for one who would isolate, himself from society and the

world, but it seems founded on a somewhat selfish basis. "Happiness

was born a twin," and to be indiffer-
