are now in receipt of a stock of goods adapted to the present wants of the people. Purchamed within the last ten days and since the decline in the prices of Staples and Domestics, they are enabled to offer special induscements to all in want of goods of every description to such variety as samed be found anywhere else in town, comprising a general assertment. They call special attention to their large assortment of Dr. J. Walker's California Vinnia, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost paralleled success of Vinegan Birmas ?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been minumed possessing the remarkable ulities of VINEGAR BIVTERS in healing the lek of every disease man is heir to. They he Liver and Visceral Organs in Bilious
