THE Fulton county Republicans have nominated Dr. S. E. Duffield, for Congress; Lieut. James Pott, for Senator, and J. E. Alexander, for Assembly.

AT the Pennsylvania Democratic Convention a resolution was passed in favor of a reduction in the number of office holders. This is evidence that they do not expect to carry the State. The Democratic party when in power never were known to reduce an office.

A SAVANNAH Mississippi Democratic organ, in recommending the formation of White Leagues in every part of the State, declares: "The end is ours, by right and by conquest, and we mean, we will control it at the expense of every drop of blood and million of lives."

SENATOR O. STARK, who occupied the Democratic Pennsylvania seat in the Senate Chamber in the absence of the Republican occupant, is a candidate for re-election. He cannot make an earnest effort before the Supreme Court to have the Democratic seat declared vacant, but he can occupy it.

GEORGIA CURSES.—The developed in Hancock County, in the case of Virginia Rivenbark," the unnatural mother of which is to torture and finally crushing parties, till having got the one purpose, the cause of crime is lost sight of. Three Chain Gang cases, and we guess, we will continue to have a plenty.
