WHOLE NO. 1228.

He Didn't Get a Place. The Congressman's bage is the

young man who "wants a position."

Hunting governmental situations for needy women and indolent middleaged heads of families, is a dreary

task enough. But it has its bright

side in the fact that it furnishes bread

and butter to those who otherwise

might be sore pressed for even the

bread alone. For the inane young

man, however, whose only ambition

is a routine job, where the work is

moderate and anxiety a minimum,

the Congressman or Cabinet official

cherishes but scanty regard. The

desired situation may, indeed, be

looked up. Home influence has its

weight with those in authority in

Washington, and when a shallow

youth comes here with his valise

to whom he is consigned generally

printer youth back to Maine again.
