WINTER'S BLESSING. Miscellaneous. Oh, I bless thee, joyous winter,

With all thy blustering tempests,

With all thy frosts and rimes

There sprang above the snow

A spring more sweet with blossoms

Than any the earth did know !

More golden with happy sunshine

More rich with songs of bird,

Than ever my eyes did feast on,

Oh, all in the stormy weather

My true love came to me,

My love no more to leave me

With all thy blustering tempests. With all thy frosts and rimes,

I blessthe . O joyous winter,

Through all eternity !

Than ever my glad ears heard !

For in the stormy winter
