A Sr. Louis Republican Kansas City special says; "The grasshoppers have penetrated the heart of the city, moving in a vast army going north. Trenches are being dug, and millions are slaughtered, but nothing can stop the red legged pests in their march. Many drive them from their grounds with water from hydrants. Their depredations are becoming very serious, lawns being stripped of grass, and garden truck destroyed. Nothing can be raised, except in greenhouses."

The State Editorial Association will be hand, gastle and garder annual meeting at Bedford Springs on the 22d, 23d, 24th and 25th of Springs on the 22d, 23d, 24th and 25th of Clover Seed—small Clover Seed—small Clover Seed—large.

Two or three parties were arrested, fined, or imprisoned by Burgess Welfley since our last issue for violations of the sorough ordinances. He says they must be enforced.

ONE of the most enterprising farmers of our community called on us a few days ago to make complaint of the small number of hitching posts provided by our at other places throughout the town. It merchants and men of business. It is not necessary that every storekeeper put a discovered and justice meted out to them.

merchants and men or business as some have at necessary that every storekeeper put a great heavy post and rail fence in front of his place of his business, as some have attempted, and we are sorry to add too closely imitated, but let them provide two or three neat iron posts with rings attached. If you do not wish to lose good customers attend to this matter at once.

A RATHER singular coincidence occurred recently at Turkey City, Clarion country. During a protracted meeting, conducted by Rev. E. R. Knapp, of the M. E. church, two men, one named Potter and the other Baker, went forward as inquirers at the same time, experienced recently at the same time, experienced and justice meted out to them.

Mr. Fred A. Shith is erecting a new house of the residence of Wm. Altfather. Mr. Smith has built himself several houses during the residence of Wm. Altfather. Mr. Smith has built himself several houses others as they please others as well as himself several houses of their same with a ready sale for them.

woman who is a somnambulist, residing with a family on High Street, Pottstown, Montgomery county, returned to bed a few evenines ago, and soon fell asleep. When she awoke she found herself at Rinehart's store, at the corner of the above named street, with a lighted lamp in hand. She had arisen in her sleep, put on her wrapper, lighted the lamp and started out. The lamp was extinguished suddenly, and the young woman made her way buck to the house in the shortest possible space of time.

Now that the season is opening up, it ought to be the care of all who live by work to make the most of their opportunities. Hundreds of people suffer in the winter because they assted in the summer. They were lazy, thriftless, prodignl, or involved in some of the foolish strikes that give so much trouble to every department of infonstry. Not many will beg that give so much trouble to every department of infonstry. Not many will be gold to be the care of involved in some of the foolish strikes that give so much trouble to every department of infonstry. Not many will be gold to be the care of all who live by works to make the most of their opportunities. Hundreds of people suffer in the winter because they assted in the summer. They were lazy, thriftless, prodignl, or involved in some of the foolish strikes that give so much trouble to every department of infonstry. Not many will be gold to be considered to the care of all who live by works to make the most of their opportunities. Hundreds of people suffer in the winter because they assted in the summer. They were lazy, thriftless, prodignl, or involved in some of the foolish strikes that give so much trouble to every department of infonstry. Not many will be gold to be the care of all who live by work to make the most of their opportunities. Hundreds of people suffer in the winter because they assted in the summer. They were lazy, thriftless, prodignl, or involved in some of the foolish strikes that give so much trouble to every department of infonse the duffice of the foolish str that give so much trouble to every department of industry. Not many will beg next winter if they take advantage of the coming season of industry; and a watch ought to be kept through the year to see who tries and who does not, so that in the distribution of charity in the autumn, the worthy may have the preference.

Says the Washington Chronicle: "Tran
Tan

The New Castle Gazette in speaking of a colored progidy named Frank Thomas, Newada. Together with Mr. Burket, they a colored progidy named Frank Thomas, says:

"What is most remarkable about this man is the fact that he is destitute of a diaphragm, and that his heart is so attached to his chest that he can remove it at pleasure to the lower part of his abdomen and backward and forward from one side to the other of the same. His muscles to the other of the same to town on Friday last and secured from hum the mineral right for one hundred dealers in Portland, Rosendale and Louise ville Cements, White Lime, White Sand, Calchedred Plaster, Land Plaster, Land Plaster, Land Plaster, Comments, White Lime, White Sand, Calchedred Plaster, Land Plaster, Land Plaster, Sand Pactron Land Plaster, and the comments will be a big thing for Somerset country as smelting the comments of the comm to the other of the same. His muscles furnaces will have to be put up, mines when contracted are as hard as tone. He sports a heavy iron cane three fourths of done that will bring our county an increase

How Decoration was Observed .- Saturday morning dawned bright and beautiful. Sickness prevails everywhere, and everyber, and several of the largest saw-mills
in the State. This will undoubtedly have
a tendency to raise the price of that commodity. At the recent fire at Oshikosh,
Wisconsin, several millions of feet of
lumber were also consumed.

WHILE a party of young ladies were on
their way to church at Stoystown, on Sunday last, a rather curious accident happenlife of the largest saw-mills
