A Man of Nerve.

rience of a wayfarer, traveling in a wood road near Olympia. Washington Territory, was as remarkable as any on record. The man was a speculator, looking out wild land, and he trudged through the forest

following the almost unused path

formed by an old road made by the

pioneers in the wilderness. His

mind was devoted to the examina-

tion of the kind of trees upon the

land about him, and he failed to no-

tice for some time a "pit-a-pat" upon

the dead leaves near him. He at

felt something rubbing against his legs, and beard a slight purring

would come closer again and press

its body against the legs of the man,

the light touch making gooseslesh of

every inch of his form. At times it

would glide a few paces to the front,

and roll over and over in the road,

an wait for the man to come up, and

then it would circle around him

ugain. The movements of the terri-

ble animal were but as the playing of

a cut with a mouse, and the man
