JAC. C. PHILSON. M'Keespert AsM'Keespert AsM'Kees

This terrible malady has for years, and the medical profession, and the sufferer had no alternative but to drag out a miserable existence until death came as a relief. Ten years ago Dr. H. Bond, a well known physician of Philabelphia. Pa., devoted his entire time to the treatment of cancer, and, as a result of his researches, claims a discovery that will cure this fearful malady. Patients may visit Philadelphia and remain while under treatment at the Pennsylvania Cancer in stitute, one of the handsomest residences.

There are three places in this town are fresh in the recollections of our older chirch, and the medical profession, and the suffered had no alternative between the country to those are related which might be of interest. Numerous traditions and and not have seen the flow of interest. Numerous traditions and and medical profession, and the suffered had no have made in this two many of interest. Such that the profession and and relative the suffered which might be of interest. Numerous traditions and anceothed which might be of interest. Numerous traditions and anceothed in accordance with the suffered which might be of interest. Numerous traditions and anceothed which might be of interest. Numerous traditions and anceothed in accordance with the suffered with the suffered within the residence and suffered with the visit Philadelphia and remain while under treatment at the Pennsylvania Cancer Institute, one of the handsomest residences in Philadelphia, and the finest remedial Institute in the country, or the remedial Institute in the country in Institute in the large Institute in the large Institute in the large Institute in the large Institute in the Institute i
