WE MAKE A SPECIALTY OF  
GLADES BUTTER,

The tenderance at the fair on the second day was very good, white that on the third and last day was unusually large, and of which we should all feel quite proud. The receipts were not so large as last year, but we understand the society will be able to pay all the premiums proposed, and their success is guaranteed in every case. With the addition of another lot of ground, a larger and better tract for trials than we have had for many years, we are confident that the exhibition of horses, cattle, &c., will be more successful and successful than any other in the history of the State for a first-class agricultural fair.

We are in want of GLADES BUTTER and promise the same promptness in making good returns as in seasons past. Liberal advances made upon shipments when desired. Cards can be had at Express office and Stores.

Very respectfully,  
OWENS & SCOTT.

FOR SALE OF  
BUTTER, EGGS AND POULTRY.

Our friend Solly of the police force, is not an active and fleet foot, as was proved at the races on Friday last, as he was some years ago, when he managed to outstep a number of men in a distance of twenty miles in three hours.

Mr. John Kanter of Somerset township, exhibited at the fair last week, a lot of white sweet potatoes, as well as some yellow do. He also raised quite a number of water melons and cantaloupes.

Mr. Henry Schaffer, while engaged at work on the Presbyterian Church, on Monday last, fell from a ladder while he was painting the roof of the building. He was very fortunate in not being killed.

Unluckily the greatest medical discovery in medicine is Dr. AUSTIN'S RHEUMATISM CURE for Dyspepsia, Sick Headache, Stomach, Costiveness, Bilelessness, Loss of Appetite, Stomach Aches, and all disorders caused by indigestion of a deranged liver. Its results are astonishing and its merits are guaranteed in every case. It is so simple and so easy to take, and so reliable in its effects, that it is a universal remedy for all ailments of the stomach, liver, and bowels, and for all ailments of the system. It is a pity that the people are not more generally informed of the benefits of the "LIFE" and "BLOOD" remedies. These remedies are so simple and so easy to take, and so reliable in their effects, that they are a universal remedy for all ailments of the system.
