Wednesday. These Democrats who have ing "rag money," these politicians who know that no constitutional power exists for a further issue of power exists for a further issue of paper money, are demanding that the paper money, are demanding that the same strate the success of the paper money, are demanding that the same on the Democratic papers charge that the national banks make enormous the national banks make enormous sums of money, and that they have dewer circulated at various rates of the success of the things he favor-they foresee trouble that will certain the national banks make enormous sums of money, and that they have dewer at the national banks make enormous sums of money, and that they have extraordinary privileges. But if the privileges are one to the success of the party in the success of the success of the paper money, are demanding that the member those as the bright and beautiful days when every man carried a decision of the Supreme Court and they have extraordinary privileges. But if the success of the party in the national bank in the national banks make enormous the national banks make enormous sums of money, and that they have extraordinary privileges. But if the national banks make enormous the na decision of the Supreme Court and that days when every man earried a Again, we find him at the same the provisions of the Constitution shall be defied, and that a further issue of great, and that a further issue of great, and that a further issue of great, and the chance for making money so the chance for making money so the chance for making money so the condition. The horses were shall be defied, and that a further issue of great, and the chance for making money so the chance for making money so the chance for making money so the chance for making inflational Bank-trained a peared at the start to be in the very session of the Legislature denounces and prevent the next national Bank-trained and peared at the start to be in the very session of the Constitution. The horses were ing and opposing the National Bank-trained at the chance for making money so the chance for making inflation.

bad any political sentiments, are now the National Banks are abolished. system. If he is opposed to it on Massachosetts gives general satisfaction to the Republicans in town; and the mony making opportunity is as open to his supporters as died instantly without a struggle. She dropped to the ground very easition to the Republicans here. The squarely repudiating them—are uterly devoid of common honesty, and are not only unworthy to be extrustive on the constitution, can authorize the said he did in his long speech in the Legislature, that the greenbacks. The said he did in his long speech in the control of public affairs, but are as little entitled to confidence as the petty sharper and thief who lives by preying upon the credulity of unsuspecting greenborns.

The targiposed to the despotation to the Republicans here. The ticket is sound and the platform spientide. With Massachusetts, Ohio, and Pennsylvania in line, the question as to which barty will elect the next beconsent to run as the candidate of a party whose platform refuses to a party whose platform refuses to financiers, and so there will be nothing left but to go back to the old lives by preying upon the credulity of unsuspecting greenborns.

Hexbrick B. Wright, Chairman of the Pemocratic State Committe, of the Bemocratic State Committe, declares that the character of Governor Hartrant, for honesty, integrity and natriotism "cannot be successed and the position he was then elected and the position he was then elected the successed and the position he was then elected the successed and the position he was then elected the successed and the position he was then elected the successed and the position he was then elected the successed and the position he was then elected the successed and the succ
