COMMISSION MERCHANTS

No. 54 South Street. BALTIMORE,

The large and regular trade that we have for Butter all the year round offers superior inducements for Merchants and The office of the Adams Express Company at this place and at all other points on the Pittsburgh, Washington & Baltimore R. R., have been closed owing to a difficulty between the express and railroad companies. A fast freight line, the Blue Line Express, the railroad boys call it is delivering such goods as were formerly shipped by express. The blue line has secured the services of the efficient manuscular to the bushes, and we have the bushes for some time, he fired into them. The movement ceased. Betore the could go to the spet the buck came bounding along to his left, and disappeared in the swamp before he could shoot. He then walked to the bushes, and was horright for the substant of the same performance of the extra place to the substant of the substan
