The Kind of Berival That is Needed The revival that we need is not only a sounder scriptural preaching. but a revival of true Christian heing. We have had quite a surfeit of the religion which luxur ates in the devont fervors of the prayer meeting and the camp ground, which sings sweet hymns and applands aweet sermons, and then goes straight off to money-grasping and its pleasure-

seeking, and its panderings to self and sin. God forbid that we speak lightly of true spiritual emotion. But the Christianity which Christ demands is something deeper than a WHOLE NO. 1269 song or a sermon or a sacrament. It the holy and the Lumble imitation of Himself. The revival, then, which is needed is a revival of the religion which keeps God's commandments; which He sat on one side of the room in tells the truth and sticks to its proma big white oak rocking chair.
