Captains Lewis and Clarke, in 1804-6, gave the Americans an additional title to the country. In 1833 the emigration of Americans commenced overland, and previous to 1850 several thousand reached Oregon. Subsequently the discovery of gold atmacred many settlers. The first attempt at organized government was made in 1841, and resulted in the establishment of a legislative and an executive committee in 1843. The territory of Oregon was organized by the act of August 14, 1848, comprising all the teritory west of the summit of the Rocky mountains and north of the 42d parallel. The act WHOLE NO. 1280. of March 2, 1853, created Washington Territory, comprising all of Oregon north of the Columbia river
