NEW YORK LETTER

and critical manner of observing

THECHYENTIAL
There been to Philadelphia, and exercises, and operations, and reprote data stress were different descriptions. The spectral different description and the creation of the crea

classification is imperfect, and conse- capable the sisters are of relieving Hudson.

where chard out wis But this alone is not why I advise your readers to stay away at present. There is a bottom of the sporting world more than any reason beyond that. The fact is, the Philadelphian has not yet found out that there is a bottom to the purse. The city is speculating, not made for Philadelphian, the world was not made for Philadelphia, to puest. There is a bottom to the purse. The city is speculating, this year. The city is speculating, were imported, and hare been to be boot-black, sat down in the botel keeper to the boot-black, sat down and calculated, not how to make the world him to saddle and mount the boot-black, sat down in the provide the many form a seplessee in mean provide the stranger agreeable, but this year. A the stranger agreeable, but

The hotels have forgotten that the hundred and seventy-five miles in cied that she saw a movement amid broken and the lacerated flesh pours cending the Congo a thousand miles ning workers in iron and steel. And the hotels have lorgotten that the induced and steel, and induced and steel, and the induced and the induced and steel, and the i under beaven that impudent and in- bad weather, and which there is no and broad, the shadows deep; but kles by rawhide thongs, a dagger, the Tanganyika would also tap a mented and substantial, and the sevgenious clerks can pile on in the way doubt he will win. The idea is to Jennie felt sure that she was not pointed at both ends, being secured great portion of the ivory trade which en sisters were pleased. They read of extras. The smaller hotels are bring that breed of horses to the mistaken, but that a man lay extend-equally extortionate, the hoarding States, horsemen believing that for ed at full length on the floor. between the two feet in such a way is now carried on by the Arabs trad-ing from Zanzibar. The Zambesi them that a patent was applied for, houses are equally grasping, the bars saddle and light work generally, a For a moment she was breathless them in a most sensitive part. The again would form the means of obare simply outrageous; the railroads judicious admixture of the mustang with terror; her first impulse then, sight becomes sickening with horror, taining ivory, if the communication didn't know what it meant until last have made no concessions to speak element will be of benefit. They womanlike, was to scream; but Jen- and repressed moans of anguish fill was made by joining it to the Con- evening. of-in short, Philadelphia has its are curious looking little beasts, but nie Linsee was no coward, and after the air as the cactus brushes afresh go, and giving access to its northern Lost evening the weather, though cf—in short, Philadelphia has its hare currous looking little beasts, but hand on the purse of every one who hand on the purse of every one who comes, with its "stand and deliver." The GAME OF POLO. The GAME OF POLO. The is just one way to beat this game, and only one—don't come. Stay away until these people get Stay away until the stay away u that there is no especial necessity for going to Philadelphia this year, and that to get you, Philadelphia has got to make a bid. Let Philadelphia understand that you must be ensur-ed good, square, honest, treatment, if you come, and the sport be point. It affords room for a great - larly authorized restaurant, on the - larly authorized restaurant, on the grounds the other day, for lanch, of dezterrity in the use of the mallet She listened for an answer. Was it is so firmly bound to it by and were compelled to pay \$6.36, for a lunch that would have been dear at \$1,00, a month ago. Stay away till Philadelphia invites you by promising you protection against or-ganized robbery. If you stay away and were compelled to pay \$6.36, for For this game, these same mustangs imagination, or did she hear a faint lengths of rawhide that the circula-

scribe it " The even were starting his camp. He said, "what is the good

NEW YOUK, May 27, 1876. I have been to Philadelphia, and have seen the great show. It is a big things, and potterries, and porcelains, cloissonne, and repousse, and all the have seen the great show. It is a big the se
