MY NEIGHBORS BARY

- Across in my pelighbors window, With its drapings of entin and lace, a see, "neath its flowing ringlers, A linky's binament from. His feet in crimesa slippere.
- Are tapping the policied glass, And the crowd in the street looks upward Just here in my estinge window. Catching flirs in the sun, With a patched and faded apron,
- Stuade my own little one. His face is pure and burstsome As the buly's over the way, And he keeps my heart from brenking At his telling every day. smetimes when the day is ended,
- With the face of my sleeping durling Hagged ci so to my lonely breast, I juny that my mnighbor's budy May not extel braven's roses all, Rut that some may crown the turchen-
- Of my leved one as they fail. And when I draw the stockings From his little weary feet, And kies the rury disugles In his limbs so round and aweet. I think of the dainty gurments Some little children wear And that my God withholds them
- From some to pure and tale,
- Tknow not what I said : My heart is crushed and troubled, My neighbor's boy to dend? I want the little cultin. As they carried it out re-day-

- Couply and spend a week or two the telegram, I knew nothing about The testimony of the housekeeper A Model of Independence Hall.

- to his profession, and he stood at the "Answer my question please." head of it. It was said that Bill "He died within six months."

WESTERFLY.

- with me. To be in time for the wed- the affair. Now tell my your story, caused quite a sensation throughout ding, you know—at the wedding! Be particular to tell me all."

 Yes, I am captured at last, old boy, and it will be your turn next. I think are already known to the reader.

 The Prempt Jures

 On Saturday morning an exquisitely fine model, in solid metal, of lindependence Hall, made to order lie one time, why would be not lie.

 The Prempt Jures

- "Thank you," returned the detec- the officer. He believed that there He furnished me with the knife, and
- maked for you a while ago,"

 "Wes."

 "Ill turned upon bis heel and the road. Mounting the stairs, he reached the second floor, and then mounted fail in love.

 "Here's a letter that was leif for.

 "And here's something else I want you to take in hand. You have been during the missive to him.

 "And here's faithfully here in the sity for the past year, and this job will take you into the country for a month, perhaps."

 As the Chief ceared speaking, he had elegran to the man being the they will take you into the country for a month, perhaps."

 As the Chief ceared speaking, he had gained the feed can be about middly and the country for a month, perhaps."

 As the Chief ceared speaking, he had gained the feed on a month, perhaps."

 As the Chief ceared speaking, he had gained and the server would have were would have were would have been being the the man being the passed the evening in the partic, and do more important, Me 'Hayre She the sub-the dist but not beliancy to work the passes the syoning man buff he beautiful the two weeks pass, that young man is "his lad by some means, after to the Was as detective in the bugst to gather, and, error the supported during the passed the evening in the partic, and do more important, Me 'Hayre She the sub-the dist but the wow which and the passes that young man is "his lad by some means, after the was a detective shifty, and as commanded a more hearily and considered the form the large of th
- saved.

 A. J. Fungesox."
 One hour after reading the above, Bill Davis, one of the shrewdest de-Bill grasped Ned's man who seemed to read his very secretly removed him to a house street. There he erased his titles where I had resolved to board, and from the tags, and wrote instead Cu house street. There he erased his titles where I had resolved to board, and from the tags, and wrote instead Cu house street. There he erased his titles where I had resolved to board, and from the tags, and wrote instead Cu house street. There he erased his titles where I had resolved to board, and from the tags, and wrote instead Cu houses, the has shown a very unusual fidelity to principle, especially in control out for myself. You know the rest. Some of the shrewdest de-Bill Davis, one of the shrewdest de-Bill grasped Ned's man who seemed to read his very secretly removed him to a house street. There he erased his titles where is had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and wrote instead Cu houses, the had resolved to board, and from the tags, and w

- On Saturday morning an exqui-NED HARRINGTON."

 NED HARRINGTON."

 Our hero did smile, but not at the thought of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. His was a smile of falling in leve. Ob, no. It was that the one in the Judge's hand.

 "William Davis had often longed for a home and home sitroundings was the leve of some one to love, and for the love of some one to love, and for the love of some one to love, and for the love of some warm heart to chert him on his life's rough journey. But he remained alone; one in the wide world seemed to care of the mortgage was a severed when the tainer produced in the miners and in the question been an streat when the anime produced in the manner than the miners of the glorious blank, cadsverous looking fellow who has been twice in Congress, and third governor of one of the green the stance in which this lawyer was detented in his object?"

 "Let me see. Yes, there was the ward and laid the knife by the side of the mortgage who has been twice in Congress, and the advertous lank, cadsverous looking fellow who has been twice in Congress, and the interproduced in the manner of the did building, of the province of the green the stance in the minutest details, of the interior of each partment and of the look of the cone. The fall building is not in the minutest details, of the interior of each partment and of the look of the minutest details, of the cone of the green the minutest details, of the cone of the green the mi
- "His body was found in a mill pond, and it was always supposed that he had fallen in."

 "Yery good. And now. Ned expected to have something to shield him."

 "In two weeks."

 "His body was found in a mill pond, and it was always supposed that he had fallen in."

 "Did you not, have this heads at the top of the columns, are the bar? Answer—I hain't.

 "In two weeks."

 "His body was found in a mill pond, and it was always supposed that he had fallen in."

 "Did you not, have this heads at the top of the columns, are reproduced with delicate faultless-ness. The clock in the steeple, chronometer in form, keeps regular time."

 "In two weeks."
- Couply was a small country station, and our hero found himself to be the only passenger to that place

 The few loafers who always gather about a country station to see the incoming train, were there. Of one or these our hero asked to be direct.

 "In two weeks."

 "Liar!" thundered the lawyer strikes the hours, and even in tone is dentical with the one of which it is a representation. Mr. Knight states that the contract for the model was made with special reference to the outrage, to be insulted by this miserable coal digger?"

 He was ordered down; and, when in the contract for the model was made with special reference to the contract for the model was made with special reference to the ment?

 He was ordered down; and, when in the contract for the model was made with special reference to the contract for the model was made with special reference to the ment?

 He was ordered down; and, when in the contract for the model was made with special reference to the contract for the model was made with special reference to the lawyer for the starting up. "Your Honor, I protected to this a representation. Mr. Knight states that the contract for the model was made with special reference to the lawyer for the starting up. "Your Honor, I protected to this a representation. Mr. Knight states that the contract for the model was made with special reference to the lawyer for the starting up. "Your Honor, I protected to this a representation. Mr. Knight states that the contract for the model was made with special reference to the lawyer for the starting up. "I am sure you will, Bill, but what the contract for the model was made with special reference to the lawyer for the model was made with special reference to the lawyer for the model was made with special reference to the lawyer for the model was made with special reference to the lawyer for the model was made with special reference to the lawyer for the model was made with special reference to the lawyer for the model was made with special reference to the lawyer for the model er about a country station to see the do you menn about lawyer Gray?"

 Never mind; you'll know accessed raving, the strange miner resumed:

 It was night when the detective of one of these our hero asked to be directions, he was confined.

 Receiving his directions, he was confined as were expected by an elderly gentleman who had just come up.

 "It was night when the detective by an elderly gentleman who had just come up.

 "It mistake not," he said.

 "Yes, do you know him?"

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the man you are looking for, if you are from Philadelphia."

 "I am the way you are from
- tage.

 Together they entered the library, and Mr. Furgeson at once proceeded with the business he had in hand.
 "I am," replied Bill as he haded.
 "I am," replied Bill as he banded a card bearing his name to his companion.
 "Ah, you are Mr. Davis. I have heard of you before, and I believe you are capable of working up this case, if any man caa."

 I be saw the form of a man dart quicking food forgive me! But, your Honor, I can do one act of repentance ere in that, if Independence Hall should at the destroyed by fire or otherwise, the evact production of the sacred edifice as it stands to-day could readily be made from the model has not consumed that drove the knife to the heart of time, care, nor labor have been sparied in the effort to make it a perfect representation of the original.

 They say that a vestryman in that, if Independence Hall should at the destroyed by fire or otherwise, the evact production of the sacred edifice as it stands to-day could readily be made from the model has now being tried. Mine was the hand that drove the knife to the heart of time, care, nor labor have been sparied in the effort to make it a perfect representation of the original.

 They say that a vestryman in the sacred edifice as it stands to-day could readily be made from the model has a walk uncertainty of the constitute and one act of repentance ere in the evact production of the sacred edifice as it stands to-day could readily be made from the model of the original.

 An Essex farmer is obliged to chalk uncertainty of a private feed and was not consumed that drove the knife to the heart of time, care, nor labor have been sparied in the effort to make it a perfect representation of the original.

 They say that a vestryman in the sacred at Mineral at Manericans (these than they find.

 You never lose destroyed by fire or otherwise, the evact production of the sacred edifice as it stands to-day could readily be made from the model of the remaindence.

 The two weeks that in trevende be sacred at Mineral in the vices that the sacred
